Eligibility to enroll

Undergraduates
All students enrolled for credit as degree-seeking or special (nondegree-seeking) students must demonstrate their eligibility. Students dismissed from other institutions for academic deficiency may not enroll in classes at VCU. This policy may be waived for students who have not been in attendance at the dismissing institution for at least one year. A student may enroll in undergraduate classes if he/she:

- is currently enrolled or admitted to a degree program and is eligible to continue at VCU;
- is a high school graduate or GED holder who has been out of school for at least one year;
- is a transfer student who is eligible to return to the former institution or has been out of school for at least one year;
- is a former VCU student who is eligible to return;
- is a degree holder taking undergraduate courses, or
- is an eligible transient student. A student who has not been out of high school a full calendar year must meet the undergraduate degree admission standards to study as a special (nondegree-seeking) student.

Graduate students
For information about admission to graduate programs, students should consult the VCU Graduate Bulletin or contact the School of Graduate Studies, 901 W. Franklin St., Room 1B1A, (804) 828-6916, or 1101 E. Marshall St., Room 1-024, (804) 828-0732. Written inquiries should be addressed to P.O. Box 980568, Richmond, VA 23284-3051. New students not admitted to a VCU graduate program, but who hold baccalaureate degrees, may enroll as non-degree-seeking students but must complete residency and certification of eligibility forms. Students should be prepared to document that they meet the course requirements (according to the VCU Graduate Bulletin) and should understand that they may be removed from the courses if they do not qualify. Before enrolling in the graduate courses, students should be advised properly by the offering academic department. In the School of Business, credit for courses will not apply to a VCU graduate degree in business unless the student has been admitted previously to a degree program. Questions concerning graduate school standards should be addressed to Sherry Sandkam, associate dean, School of Graduate Studies, 901 W. Franklin St., Room 1A11, (804) 828-6916.
maximum of three courses, are enrolled after tuition-paying students have been accommodated, and must pay established course fees.

Senior citizens wishing to avail themselves of the opportunity to study at VCU during the summer should call (804) 828-1831.

Regulations
The official policies of the university are stated in full in the university bulletins. Consult the bulletins or call the Office of Community Programs, (804) 828-1831, for more information.

Academic Regulations Appeal Committee
The Academic Regulations Appeal Committee considers petitions for waivers of academic regulations. A special student desiring to appeal an academic regulation should contact Sue Munro, (804) 828-1831. Degree-seeking students should see their advisers or assistant deans.

Attendance
Attendance criteria are the responsibility of each school and may vary from class to class. Students must abide by the requirements announced in each class.

When warranted, an instructor may mail attendance warnings to students faced with being withdrawn for non-attendance. Each student is responsible for keeping a current mailing address on file with the Office of Records and Registration (827 W. Franklin St., Room 104, (804) 828-1349). If mail is returned to the Office of Records and Registration because of an incorrect address, further registration activity will be prohibited until the student provides an address correction.

Change of Major
Students who wish to change their majors must file a Change of Major form. These forms are available from the Student Services Center in Founders Hall, Room 104. Change of Major forms submitted during the summer semester will be effective for the fall 2001 semester. The change of major becomes official after the Office of Records and Registration has received the form signed by the dean or chair of the appropriate school or department. Students are encouraged to have changes to the Office of Records and Registration prior to the first week of classes in the fall semester in order for the school/department to turn approved changes by the end of the add/drop period. A change of major will not occur for the current semester after the add/drop period.

Students currently enrolled in an MCV Campus program who wish to change to a curriculum on the Academic Campus must file a Change of Major form. Such students are subject to the continuation policy of the Academic Campus after the major has been changed. Students currently enrolled in an MCV Campus program who wish to change to another MCV Campus curriculum must go through the admission process outlined in the Undergraduate and Professional Programs Bulletin. Credits previously earned at VCU or at another university may or may not be applicable to the new major.

Continuance
Academic warning. A student is placed on academic warning when his/her cumulative GPA falls below 2.0 (or “C”) at the conclusion of any semester of attendance (fall, spring, summer). Such notification will appear on the student’s grade report. A student remains on academic warning for one semester (fall, spring, summer) of attendance at the end of which time the student must obtain a cumulative GPA of at least 2.0. Failure to do so results in academic probation.

Academic probation. A student is placed on academic probation when the cumulative GPA is below 2.0 (or “C”) for two successive semesters of attendance. (Summer is a semester of attendance.) Such notification will appear on the student’s grade report.

Academic suspension. A student is placed on academic suspension when the cumulative GPA is below 2.0 for two successive semesters and the following semester GPA is below a 2.0. (Summer is considered a semester.) Notification of suspension will appear on the student’s grade report; the student also receives a letter from the Office of Records and Registration stating the conditions of the suspension and a notification of suspension is placed on the student’s transcript. Academic suspension indicates that the student has a record of continued unsatisfactory progress.

A student on academic suspension may not enroll at the university for two consecutive semesters, including summer (fall and spring, spring and summer, or summer and fall). Students who receive a second suspension will be eligible to be considered for readmission only after a period of separation from the university of at least five years.

Students with questions concerning their suspensions are advised to see their advisers or assistant deans. Special students should contact the Office of Community Programs. Students who wish to appeal their suspensions to the Academic Regulations Appeal Committee must submit a written request to the assistant deans of their schools or, in the case of special students, to the Office of Community Programs.

Credit Options
College Level Examination Program (CLEP). Degree-seeking students may earn up to a maximum of 54 hours with satisfactory scores on CLEP tests. Students should contact their advisers or call (804) 828-8420.

Independent study. Independent study, readings and research, practicum, internship, thesis and dissertation courses are available in some departments during the summer.

Military Services Education. VCU grants credit for formal military service school courses offered by the various branches of the U.S. Armed Services. Call Ron Peterson at (804) 828-8420 for additional information.

Grade Exclusion Policy
Readmitted students who have been completely separated from VCU for five or more years and who meet additional eligibility criteria may request to have “D” and “F” grades previously earned at VCU excluded from their total credits earned and GPA computation for the purpose of meeting scholastic continuance and graduation requirements. For full information, refer to the Undergraduate and Professional Programs Bulletin or call (804) 828-1831 or (804) 828-1349.

Grades and marks
Grades and grade points. VCU course work is measured in terms of quality (grades) and quantity (grades). Grades are assigned according to a letter system; each letter is assigned a grade-point value. The number of grade points earned is computed by multiplying the grade-point value by the number of semester credits. For example, a student receiving an “A” (four grade points) in English 101 (three credits) earns 12 grade points.

The Grade Point Average (GPA) is computed by dividing the number of grade points earned by the number of credits attempted. Only courses taken at VCU are included.

Graduate application
VCU students who expect to complete degree requirements by the end of the summer may request graduation applications at 827 W. Franklin St., Room 104 no earlier than May 28, 2001. Completed applications must be submitted to advisers no later than June 22, 2001.

Repeated courses
If a student repeats a course in which a “D” or “F” was earned on the first attempt, the student may request that only the better grade be counted in computing their GPA. This option can be used for the removal of only one grade of “D” or “F” and the subsequent credit hours per course from the computation of the cumulative GPA. However, the removed grade will still appear on the student’s academic record but will not influence his/her GPA. This option is not available for graduate courses. An historical repeat form must be submitted to the Student Services Center in order to request the repeat course option.

Re-admission policy
Undergraduate degree-seeking students on the Academic Campus may sit out for three semesters (including summer) and enroll in the fourth semester without having to apply for re-admission to the university provided they have not attended another college or university since last attending VCU, and provided they have not been suspended from VCU and are eligible to return.

An undergraduate degree-seeking student who does not attend VCU for four or more semesters (including summer) must submit an application for re-admission to the Office of Undergraduate Admissions. A re-admission applicant must meet the university’s admission guidelines as well as any specific requirement for the major to which he/she is applying.

A student wishing to return to VCU after attending another institution will be considered as a transfer applicant and will be reviewed based on transfer admission guidelines.

Student progress
Students are encouraged to discuss progress in courses with their instructors at any time. Instructors will endeavor to provide some form of evaluation of students’ academic achievement throughout the duration of the course.

Degree-seeking students are encouraged to work closely with their advisers as they progress through an academic program. Degree-seeking students who do not know who their advisers are should call their department or school. See the directory of deans, directors and department chairs on pages 61-62.

Transient students
A student who is presently seeking a baccalaureate degree at another institution of higher education may register as a transient student by meeting the following criteria.

1. Transient students must be in good standing at their home institutions.
2. Transient students must have a letter from their home institution approving the courses they will transfer to the home institution.
3. Transient students may register for most courses, including upper division business courses, with approval of their home institution and the appropriate VCU office.

Workload regulations
Each summer course is designed to give one semester’s work. With careful scheduling, it is possible for students to earn as many as 15 credits during the summer if course
work extends over the full calendar, May 21 through Aug. 17. Students may not take more than 15 hours without special permission. Contact the Summer Studies Office at 827 W. Franklin St., Room 204 or call (804) 828-1831.

Summer success is predicated on the academic standard of one credit per week. Six credits in five weeks or nine credits in eight weeks are considered a normal load, but VCU does not permit six credits in four weeks or nine credits in six weeks.

Suggested scheduling combinations include:

1. One 3-week May 21 class 3
2. One 5-week May 21 class 3
3. Two 6-week Jun 18 classes 6
4. One 3-week Jul 30 class 3
5. Two 3-week Jul 30 classes 6
6. One 5-week May 21 class 3
7. Two 6-week Jun 18 classes 6
8. One 3-week Jul 30 class 3
9. One 3-week Jul 30 class 3
10. Three 3-week May 21 classes 9
11. One 3-week Jul 30 class 3
12. Two 5-week May 21 classes 6
13. Two 5-week Jun 25 classes 6
14. One 3-week Jul 30 class 3

For the student who works five days a week:
1. Five 2-week evening classes 6

Please Note: Three-week classes are intensive and demanding. Students experiencing academic difficulty should consider this advisory carefully before registering for three-week classes.

109 N. Harrison St., (804) 828-1650
Monday – Friday 8 a.m. – 4:30 p.m.

The Academic Success Center seeks to enhance the success and promote the retention of all students. Many center activities focus on VCU’s nontraditional students, i.e., minority, low income, first-generation college students. The center provides counselor support, academic planning, tutoring assistance, career planning and a variety of seminars and workshops designed to meet the needs of VCU students. Among its services, the center offers the College Transition Program, Academic Support (counseling and advising) and VCU’s tutorial program for students.

College Transition Program. This program provides an alternative admissions process for students who marginally meet or fall below the university’s requirements for admissions as full-time degree seeking students. Students who are accepted into the College Transition Program have demonstrated potential for academic achievement that is not always indicated by their SAT scores. Admitted students may be required to attend a developmental program including courses in mathematics, English, reading study skills and orientation to the university during the summer before their university enrollment. This summer experience allows students to ease into the rigorous demands of university life by improving basic academic skills and personal confidence.

During the academic year, participants maintain close contact with the program and counselors. For information about College Transition Program write to the Academic Success Center, Virginia Commonwealth University, P.O. Box 842500, Richmond, VA 23284-2500, or call (804) 828-1650.

Academic Support for Students. In addition to serving students who participate in the Summer College Transition Program, academic counseling and advising services are open to all students who are interested in enhancing their ability to perform successfully at the university level.

Tutoring. The tutorial program sponsored through the Academic Success Center is a free service available to full-time VCU students. The program offers peer tutoring to students enrolled in the traditional freshman and sophomore level classes that are required in General Education or by a variety of majors. If a student has academic concerns, wishes to make an appointment with a counselor or needs a qualified person to talk about negotiating with VCU, he/she should stop by the Academic Success Center for assistance.

VCU Honor System

As members of the VCU learning community, students, faculty, and administrators are expected to practice personal and academic integrity; respect the rights and properties of others; honor the rights of others to their opinions and ideas; and strive to learn from the differences in people, ideas, and cultures.

In the academic community, the practice of academic integrity is of the highest priority. The honor system obligates each student to understand the types of conduct that are unacceptable, to refrain from acts of cheating and plagiarism, and to report those who violate these standards. The honor system assumes that each student’s word can be trusted implicitly and that a violation of such a promise could lead to unethical conduct in other areas. Students should direct their attention to the VCU Honor System as printed in the VCU Resource Guide. All students should obtain a copy of this publication, which is available from several distribution points on campus, including the Commons and the bookstore. Many professors will be discussing this policy and describing their expectations for behavior during classes at the first class session.

The Honor System utilizes the Honor Pledge, which states, “On my honor, I have neither given nor received aid on this assignment.” Instructors may give assignments to students in one of two ways: (1) as ‘Pledged’ work, for which the student will sign a pledge statement indicating that the work was completed independently, or (2) as ‘Unpledged’ work, which may be completed in collaboration with others as directed by the instructor. All work is considered to be ‘pledged’ unless the instructor specifies otherwise.

It is the student’s responsibility to be aware of, and to observe, the VCU Honor System and all of the policies and regulations at VCU. If he or she has a question about a policy, the student should feel free to call or stop by the Office of the Dean of Student Affairs, consult with his or her faculty advisor or ask to see someone in the Office of the Dean of the appropriate school or college.
