Sl. No. | Course Code | Course Name | Credits | Instructor | Semester | Description
--- | --- | --- | --- | --- | --- | ---
1 | SLWK 201 | INTRODUCTION TO SOCIAL WORK | 3 | FAURI, D | Fall | An introduction to social work knowledge, values and skills through practice under the direction of an agency-based field instructor. Intended to facilitate student's understanding of agency structure, community context, ability to engage in professional relationships, to assess strengths, define problems, set goals and utilize beginning-level practice skills with individuals, families, groups, organizations and communities. Promotes identification as a professional social worker.
2 | SLWK 230 | COMMUNICATION IN HELPING PROCESS | 3 | SINGLETARY, J | Fall | The study of the knowledge, skills and values of effective human communication and interpersonal relations. Includes observation, collection and description of data, verbal and nonverbal communication, and the relevance of the above to social work practice. Introduces the idea of human diversity in all course content. Emphasizes the demonstration and practice of communication through structured exercises.
3 | SLWK 332 | SW PRAC: FUNDAMENTALS | 3 | FABEOLO, H | Fall | Prerequisites: SLWK 313. Corequisite: SLWK 332. Open only to social work majors with junior status. First three semester sequence practice. Introduces students to basic concepts and skills of beginning level professional social work practice. Emphasizes application of concepts to the current fieldwork experience.
4 | SLWK 393 | JUNIOR FIELD INSTRUCTION | 3 | TBA | Fall | Prerequisites: Junior or senior standing and permission of instructor. Under supervision of a faculty advisor, whose consent is required to register, study of a topic of concern to the student. Each student must present his/her findings in writing or pass an oral examination.
5 | SLWK 492 | INDEPENDENT STUDY | 1-3 | TBA | Fall | MAJORS ONLY
6 | SLWK 603 | SOCIAL WORK & SOCIAL JUSTICE | 3 | CRAMEY, J | Fall | Examines social work's historical and current commitment to social justice as related to oppressed groups in a multicultural society. Enhances understanding of and appreciation for diversity in self and others. Addresses issues of power, inequality, privilege, and resulting oppression. Analyzes oppression resulting from persistent social, educational, political, religious, economic, and legal inequalities. Focuses on the experiences of oppressed groups in the U.S. in order to understand their strengths, needs, and including those distinguished by race, ethnicity, gender, age, sexual orientation, disability, immigration status, and class. Considers ethical dilemmas faced by social workers in empowerment and advocacy roles.
7 | SLWK 607 | SOCIAL WORK PRACTICE | 5 | TBA | Fall | MAJORS ONLY
8 | SLWK 693 | BLOCK FOUND FIELD INST | 3 | TBA | Fall | MAJORS ONLY
9 | SLWK 694 | FOUNDATION FIELD INSTRUCTION | 3 | TBA | Fall | MAJORS ONLY
10 | SLWK 695 | BLOCK FOUND FIELD INST | 3 | TBA | Fall | MAJORS ONLY
11 | SLWK 792 | INDEPENDENT STUDY | 3 | TBA | Fall | Prerequisites: M.S.W. concentration standing or permission of instructor. Open with faculty approval. A maximum of four independent study courses may be included in a student's educational program. The student will be required to submit a proposal for investigating some area or problem in social work not ordinarily included in the regular social work curriculum. The results of the student's study will be presented in a report.
12 | SLWK 793 | CONCENTRATION FIELD INSTRUCTION | 3 | TBA | Fall | PREREQUISITE: M.S.W. concentration standing or permission of instructor. Open with faculty approval. A maximum of four independent study courses may be included in a student's educational program. The student will be required to submit a proposal for investigating some area or problem in social work not ordinarily included in the regular social work curriculum. Grade of "P" required for continuation in program.

Prerequisites:
- Admission to the Advanced Standing Program; concurrent enrollment in SLWK 607, 608, 612. Reviews approaches to scientific inquiry in the development of knowledge for social work practice; problem formulation; concepts and operational definitions; measurement validity and reliability; selected social work research designs; and their collection strategies and procedures.
- Admission to the Advanced Standing Program; concurrent enrollment in SLWK 607, 608, 611. Reviews research level knowledge, attitudes, and skills acquired through social work education at the undergraduate level. Requires application, refinement, and the active use of content from the advanced standing curriculum in supervised social work practice in a social agency. Final grade of "P" required to continue in program.
