**About the Schedule of Classes**

The Schedule of Classes provides information needed to register. It includes information about courses currently offered, including time, days and place of meetings, prerequisites and the instructor’s name — as well as valuable general information about Virginia Commonwealth University. This Schedule of Classes is accurate as of Feb. 19, 2002. The information is subject to change — please check the Web for updates: <www.vcu.edu/schedule>.

The Schedule of Classes does not include all the information you need to access the university. Please be sure that you have a copy of each of the following documents:

- University bulletins — VCU publishes two bulletins. The bulletins include essential information not included in this schedule — academic policies, descriptions of all current VCU courses, prerequisites and information about program and degree requirements. Obtain a copy of the Undergraduate Bulletin by presenting your VCU Card to one of the student services centers or purchase the bulletins for $3.50 from one of VCU’s bookstores. The bulletins also are available on the Web: <www.vcu.edu/bulletins>.
- VCU Resource Guide — This directory of services also includes the complete texts of the VCU policies and procedures that directly affect students. The Resource Guide is updated annually. Pick up a copy of this year’s edition from the Commons Information Center or the administrative offices of the Division of Student Affairs.

The Resource Guide, including all policies, also is available on the Web: <www.students.vcu.edu/rg>.

Special students and returning adult students are invited to seek the specialized assistance available from academic advisers at (804) 828-8420.

**Registration instructions**

1. Pick up your registration materials from your adviser or from the department of your major.
2. Plan your semester with your adviser or your department.
3. Use the Course Request Form to list your courses for the semester, including any Academic Campus courses. Be sure to include variable credit hours where necessary.
4. Turn in your completed materials in accordance with the procedures dictated by your department.

**Student Services Center**

1101 E. Marshall St. (Sanger Hall, Room 1-055)  
Monday – Friday 8 a.m. to 4:30 p.m.  
Saturday, Sunday, Holidays Closed  

**Don’t forget …**

**Your mailing address**

Remember, the mailing address is the address to which all of your official VCU mail is sent; bills, grades, etc. The address may be changed at the Student Services Center (Sanger Hall, Room 1-055) throughout the semester. Please keep your mailing address up to date.

**Pick up your copy**

Student schedules may be obtained on VCU’s Web site: <https://iserver.adm.vcu.edu/students>.

Students also may pick up a copy of their current schedule at the Student Services Center (Sanger Hall, Room 1-055) anytime during the semester. A picture ID is required. These schedules show any changes in your scheduled classes which may have occurred since the time of registration.
Reading the codes

Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

Section numbers

The beginning letter or number indicates whether a course is an honors, a variable credit, an evening, laboratory, off campus or intersession course.

- 7XX = honors
- 8XX = variable credit (MVC Campus only)
- 9XX = evening
- LXX = laboratory
- VXX = intersession
- 0XX = major
- 1XX = 100 series
- 2XX = 200 series
- 3XX = 300 series
- 4XX = 400 series
- 5XX = 500 series
- 6XX = 600 series
- 7XX = 700 series
- 8XX = 800 series
- 9XX = 900 series

Day codes

The following symbols are used for the days of the week:

- U = Sunday
- M = Monday
- T = Tuesday
- W = Wednesday
- R = Thursday
- F = Friday
- S = Saturday
- V = Sunday

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

Comments/restrictions

Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that you are not eligible to take. Please note the message that a fee is required for a particular course. (The fee table lists the fees for the courses with the fee required message.) For example:

**CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3)**

<table>

<tbody>
<tr>

<td>001</td>
<td>STAFF</td>
<td>M</td>
<td>CALL1</td>
<td>0100PM 0545PM</td>

</tbody>
</table>

Many sections have major, school and classification restrictions placed on them by the department offering the course. Any restriction for a section is listed directly below that section’s listing. Enrollment in restricted courses is limited. For example:

**CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3.00)**

This section of CARD 207 is only open to communication arts and design majors. If your major is psychology for example, you may not register for this section without an override. For example:

**MRBL 376 DYNAMICS OF RETAIL MANAGEMENT (3.00)**
