About the Schedule of Classes

The Schedule of Classes provides information needed to register. It includes information about courses currently offered, including time, day and place of meetings, and the instructor's name — as well as valuable general information about Virginia Commonwealth University. This Schedule of Classes is accurate as of Feb. 18, 2004. The information is subject to change — please check the Web for updates: http://www.vcu.edu/schedule. The Schedule of Classes does not include all the information you need to access the university. Please be sure that you have a copy of each of the following documents:

- University bulletins – VCU publishes two bulletins. The bulletins include essential information not included in this schedule — academic policies, descriptions of all current VCU courses, prerequisites and information about program and degree requirements. The bulletins are available on the Web: http://www.vcu.edu/bulletins.
- VCU Resource Guide – This directory of services also includes the complete texts of the VCU policies and procedures that directly affect students. The Resource Guide is updated annually. Pick up a copy of this year’s edition from the Commons Information Center or the administrative offices of the Division of Student Affairs and Enrollment Services. The Resource Guide, including all policies, also is available on the Web: http://www.students.vcu.edu/rg.

For classes that meet outside the sessions listed above, students may **drop** the class until the close of business on the day following the first day of a given class and receive a refund. The last day to **withdraw** from these classes is the midpoint of the class. **There are no refunds in the summer for withdrawals.** Exact deadlines are on file in Room 104, 827 W. Franklin St. Students are responsible for meeting these deadlines.

**Students may register through the close of business on the day following the first day of a given class. This registration may be done on the Web at [https://iserver.adm.vcu.edu/students](https://iserver.adm.vcu.edu/students), or in the Student Services Center, 827 W. Franklin St., Room 104.**
Summer registration

Registration for Summer Studies begins March 22. Currently enrolled students are encouraged to register online at https://iserver.adm.vcu.edu/students. Students new to VCU must register in person at the Student Services Center in Room 104, 827 W. Franklin St., any time during normal working hours. Please register as early as possible. It is best to register for all classes at one time even if they are in different sessions.

Advising

Advising is an integral and important part of the registration process. All students are encouraged to speak with an adviser prior to registration.

Continuing degree-seeking students are assigned advisers by their schools and departments. A directory of deans and department chairs is included in this publication. See pages 56-58.

All first-year students in the College of Humanities and Sciences are advised through the Office of Academic Advising, (804) 828-2333. Undeclared students continue to be advised through this office. Until they declare a major and their records are transferred to the appropriate department.

Bachelor of Interdisciplinary Studies students are advised through the College of Humanities and Sciences’ Interdisciplinary Studies Office at 1014 W. Franklin St., (804) 828-6420.

Special nondegree-seeking students and prospective adult students are advised through the College Success Program at 109 N. Harrison St., (804) 828-1650.

Web registration

Web registration at https://iserver.adm.vcu.edu/students is available for continuing students during the following hours:

- Monday – Friday: 7 a.m. – midnight
- Saturday: 7 a.m. – 9 p.m.
- Sunday: noon – midnight

This site may be unavailable for short periods so that maintenance can be performed.

Continuing degree-seeking students are those students who have applied, been accepted to VCU and are enrolled in at least one VCU class during fall 2003 or spring 2004.

Continuing special students are those students who are on VCU’s student information system and have taken a class in any previous semester.

New special students must come to the Student Services Center to be entered into the student information system. They then may register in-person at the center or use the Web registration system.

Overrides

Overrides are processed at the Student Services Center, 827 W. Franklin St., during normal working hours.

Course load/overload

Each summer course is designed to give one semester’s work. With careful scheduling, it is possible for students to earn as many as 15 credits during the summer if course work extends over the full calendar, May 24 – Aug. 13. Students who wish to take more than 15 hours must receive permission for an overload. Please contact the Summer Studies Office, (804) 828-1831, for help in seeking overload approval.

Add/drop

Add/drop deadlines are published in the calendar on Page 3. During the summer, the add/drop deadline is the day following the first day of a given class. (This rule applies even if the class does not meet on two consecutive days — evening classes, for example.) Because these deadlines are strictly observed and because there are no partial refunds in summer, it is very important for students to add or drop classes before the established deadlines. Adds or drops may be made on the Web or in person at 827 W. Franklin St., Room 104, during regular office hours.

Cancellation of registration

Students who wish to cancel their entire summer registration may do so before the first class meeting by using the Web registration system, by dropping all courses in person or by sending a letter postmarked before the start of the first class to: VCU, Records and Registration, P.O. Box 842520, Richmond, VA 23284-2520.

Grades

After grades have been processed, students may use the Web to access them: https://iserver.adm.vcu.edu/students.

Payments

Students will be billed for tuition and appropriate fees, and payment is due at the start of the semester. There is no installment plan for summer. Check or money order (payable to VCU), Visa, MasterCard, American Express or Discover Card are accepted. Some students have their tuition and/or fees paid by outside agencies or businesses; the university will accept, at the start of the semester, a letter stating that these charges are unconditionally guaranteed. Should the third party default for any reason, the student is financially responsible for the charges.
Financial information

Tuition and fees

The Student Accounting Department issues bills to students for tuition and appropriate fees. Preregistered students’ tuition and fees, dorm, meal, and other charges where applicable are due at the start of the semester. The university reserves the right to revise or alter all tuition and fees, regulations pertaining to tuition and fees, and collection procedures at any time. In addition to expenses billed by the university, students should make allowances for books, clothing, supplies, travel and other out-of-pocket costs when figuring their total expenses at the university. Tuition is determined by the student’s residency status, the number of hours for which the student is registered, the student’s course of study and the student’s classification level. Eligibility for in-state tuition benefits is determined by Section 23-7.4 of the Code of Virginia. Students seeking to change their residency status from out of state to in state for tuition charges should go to the residency office of the VCU Office of Records and Registration at 827 W. Franklin St., Room 104 and formally apply for a change. The residency application deadline is 30 days prior to the beginning of the semester for which the student is applying. For further information on residency determination, call (804) 828-0366.

Students registered for a full-time course load are charged a flat rate for tuition and fees. An undergraduate student enrolled for 12 to 18 credits during any semester is classified as full time. A graduate student enrolled for nine to 15 credits during any semester is classified as full time. Students registered for less than a full-time course load are charged a per-credit-hour rate based on the course level, e.g., undergraduate or graduate. The rate for “per-credit” courses is determined by the number of lecture or laboratory-tutorial hours.

An undergraduate student enrolled for more than 18 credits and a graduate student enrolled for more than 15 credits will be charged a course overload fee on a per-credit-hour basis above the full-time tuition rate. The overload fee will not apply to students in first professional programs.

Special students who hold bachelor’s degrees are classified as DHG (degree-holder graduate) if they enroll in one or more graduate courses. DHG students are charged by the level of the course unless they enroll for nine or more credits, at which point they are charged at the full-time graduate rate. Special students who hold undergraduate degrees are classified as DHU (degree-holder undergraduate) if they enroll in all undergraduate courses. DHU students who enroll in 12 or more credits are charged at the full-time undergraduate rate. If they make changes to their course enrollment by the end of the add/drop week, their classification and charges change in accordance with these guidelines.

Students have their tuition and/or fees paid by outside agencies or businesses. The university will accept a letter from the agency/business stating that these charges are unconditionally guaranteed. This letter should be submitted to the Student Accounting Department prior to the start of classes. Students may charge their tuition and fees to Visa, MasterCard, Discover Card or American Express.

Fees

Capital outlay fee – was mandated by the General Assembly with the revenues used to offset the General Obligation Bond Bill debt. This fee is charged to nonresi-

dent students.

Special fees – fees assessed for special programs in addition to required fees (see Page 6).

Student activity fee – used to support social and cultural activities such as concerts, plays, student organizations and student publications on the Academic Campus. This fee is not charged to MCV Campus students.

Student government association fee – used to support social and cultural activities for students on the MCV Campus. This fee also is charged to students in the off-campus program in the School of Social Work.

Student health fee – covers certain outpatient services provided by University Student Health Services.

Technology fee – used to fund improved access and assistance with information technology. This fee is charged to all undergraduate, graduate and professional students in all programs.

University fee – used by the university to support student recreational facilities, campus development, intercollegiate athletics and other programs. Funds for these programs are allocated annually.

Note: The university fee and student activity fee are not charged for off-campus classes (classes with a “C” designation in the section).

Drop vs. withdraw

Drop – charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid, and any financial aid already credited to the student’s account based on the original course registration will be removed from the student’s account and may create a balance due to the university.

Withdraw – results in the academic grade of “W.” Charges are assessed and no reduction of tuition and fees will be granted.

Refund policy

Students whose registration is canceled prior to the end of the last day to drop a particular class will be entitled to a full reduction of tuition and fees. Charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid. Students who withdraw their registration after the last day to drop but before the withdrawal deadline will receive a grade of “W” for the class. Charges will be assessed and no reduction of tuition and fees will be granted. Please see the calendar on Page 3 for each session’s add/drop and withdrawal deadlines.

Students reducing their academic course load to fewer than 12 credit hours (nine credit hours for graduate students) before the end of the last day to drop will be entitled to a reduction of tuition and applicable fees reflecting the reduced course load.

Requests for refunds of overpayments must be made in writing by letter or on a Request for Refund form available at the Academic Campus (Founders Hall) and MCV Campus (Sanger Hall) Student Services Centers or in the Student Accounting Department. These requests should be directed to VCU, Student Accounting Department, 827 W. Franklin St., P.O. Box 840306, Richmond, VA 23284-3036. Refunds take from two to three weeks to process. In accordance with credit card regulations, the university will refund the credit card account with any credit balance that may result on a student’s account as the outcome of a credit card payment. The remaining credit balance, if any, will be refunded to the student.

Students in off-campus classes scheduled in a regular summer session are subject to the same refund policy as all other university students.

The refund policy and deadlines of the English Language Program are different from the university’s refund policy for academic classes. Details of the policy may be obtained from the English Language Program Office.

Students with two receive Title IV financial aid funds (grants or loans) may be required to repay all or a portion of the financial aid that was disbursed to their student account if they withdraw from VCU prior to completing 60 percent of the semester. For details on how this requirement applies to your situation, please contact a counselor in the Office of Financial Aid at 901 W. Franklin St. (Shafer Court entrance) or call (804) 828-6669.

Defense crisis tuition relief, refund and re-installment guidelines

These guidelines apply to any operation, including a defense crisis, in which the president of the United States declares a sudden mobilization that includes members of the Virginia National Guard or the active or reserve forces of the U.S. Armed Forces who are students enrolled at VCU. Students are offered the following enrollment secession options:

1. Drop all courses before the end of the add/drop period and receive a full refund of all funds paid to the university. Students will be asked to sign the drop request form with the registrar indicating that they are not receiving a financial aid refund. Students who have received a financial aid refund must repay the refund before this action may be taken.

This option might best meet the needs of students who are called to active duty service during the first week of school and who did not receive a financial aid refund check or direct deposit.

2. Return to in state for tuition charges should go to the residency office of the VCU Office of Records and Registration at 827 W. Franklin St., Room 104 and formally apply for a change. The residency application deadline is 30 days prior to the beginning of the semester for which the student is applying. For further information on residency determination, call (804) 828-0366.

Students residing in university housing will be released from their housing and meal contracts and will receive a prorated refund of these charges. Students who choose to take a grade of “IM” will not have tuition and fees assessed for these courses because credits will still be earned for the semester. Students will have 12 months from the date that they leave the university to complete the course work and earn any grade for which they were eligible as of the date of their departure.

This option might best meet the needs of students who have completed all course work in a class for the semester, but have yet to turn in a final project, an exam or other materials. It should be agreed upon between the instructor and the student that the remaining course work can reasonably be completed during the upcoming 12-month period.

3. Accept administrative withdrawal (“WMA” – withdrawal military) from all courses as of the effective date of the orders to active duty. If this option is elected, a full refund of all tuition, fees and prorated room/boarding charges will be made. If a student received financial aid, the amount recovered to the financial aid accounts will follow Title IV guidelines.

This option might best meet the needs of students who are called to national service in the middle of a semester and have not completed 90 percent of their class requirements. This option also might best meet the needs of students who are leaving the university during the first week of class and who have received a financial aid refund check or direct deposit as a result of their financial aid.

Leaving the university

To initiate this process, the student must provide the university registrar with a copy of his/her active duty orders in addition to a printed copy of his/her course registration for that semester and indicate Option 1, 2 or 3 for each course. The university registrar will take the appropriate enrollment action, post the appropriate grades and send a copy of the orders and a copy of the student course request statement to the director of financial aid and the manager of student accounting.

Returning to the university

If the student returns within one year of completing his/her national emergency service requirement, the student may return to the university in the same program of studies without fee-applying for admission. The student should begin the re-enrollment process by writing the director of admissions regarding his/her intent to re-enroll.

Financial implications of withdrawing from VCU

Students who receive federal Title IV grant or loan assistance and withdraw from Virginia Commonwealth University before completing 60 percent of the semester (as measured in calendar days) must have their eligibility recalculated based on the federal Return of Title IV Funds formula. This federal formula specifies that a student’s financial aid eligibility must be recalculated based on the aid the student has “earned” based on the number of days that the student was enrolled or attending VCU prior to withdrawal. Any unearned aid for the period of enrollment that the student did not complete must be returned to the appropriate Title IV program(s) from which the student was awarded.

VCU students who withdraw prior to completing 60 percent of the semester will have to pay all or a portion of the financial aid funds that were disbursed to their VCU student accounts. They also may be responsible for all or a portion of their university charges that were previously paid by financial aid sources.

The following cases illustrate how the federal Return to Title IV is applied. Please note that the cases are for example only and do not reflect actual dates and amounts.

Case 1: Sally is enrolled for 12 hours during the fall semester as an out-of-state student; the first day of classes for the program in which she is enrolled is Aug. 26 and the last day is Dec. 17. Sally’s university charges and financial aid are as follows:

</tbody>
</table>

Total financial aid $5,500

Financial aid funds of $5,500 were disbursed to her VCU student account toward tuition and fee charges of $5,900. Sally paid the remaining balance of $400 in cash. Sally missed two weeks of classes because of an illness. She returned to classes on Sept. 25, but decided after two days that she was too far behind in her course work to catch up with classes. On Sept. 27, she notified the registrar that she was withdrawing and began the official withdrawal process. Since Sally withdrew on Sept. 27, she only completed 28.9 percent of the semester and is entitled to keep only 28.9 percent of her federal financial aid. Therefore, 71.1 percent must be returned to the federal government.

VCU must cancel $3,910 (all of the Federal Direct Subsidized Loan and Federal Pell Grant funds) and $210 of the Federal SEOG Grant funds. These funds will be returned to the federal government on Sally’s behalf. This action will create charges of $3,910 on Sally’s VCU student account; however, because she withdrew from all classes during the fourth week, the tuition and fees of $5,900 would be reduced to $3,540 (a savings of $2,360). The result is that Sally must repay to VCU $1,550 that was previously paid by financial aid funds.

Case 2: Steve is enrolled for 15 hours during the fall semester as an in-state student; the first day of classes for the program in which he is enrolled is Aug. 26 and the last day is Dec. 17. Steve’s university charges and financial aid are as follows:

<table>
<thead>
<tr>
<th>VCU charges</th>

<tbody>

</tr>
</tbody>
</table>

Total financial aid $4,400

Financial aid funds of $4,400 were disbursed toward his student account charges of $4,600, and Steve paid the remaining balance of $200 using his credit card.

Sometime during the semester Steve stopped attending classes, but he did not notify anyone that he was withdrawing from school. He simply left the university. At the end of the semester his instructors reported grades of all “F’s” since he had not completed his course work. Steve’s last day of attendance is not known to VCU since he did not officially withdraw; therefore, the midpoint of the semester is used as the last date of attendance for Title IV funding purposes. This means that Steve earned only 50 percent of the financial aid that he had originally received for the semester. Therefore, 50 percent must be returned to the federal government.

VCU must cancel $2,200 (all of the Federal Direct Unsubsidized Loan funds and $200 of the Federal PLUS Loan funds.) These funds will be returned to the federal government on Steve’s behalf. Since Steve’s withdrawal date for Title IV purposes was during the eighth week of classes, there is no tuition and fee adjustment. Because of the reduction of financial aid required by the federal Return of Title IV Funds formula, Steve must repay VCU $2,200 that was previously paid by financial aid funds.

Summer 2004 Financial Aid

Summer financial aid application requirements

Eligibility for summer aid

- In order to receive financial aid during the summer session, students must be enrolled at least half time in an approved program of study (half-time enrollment is at least six credit hours for undergraduate students and at least five credit hours for graduate students). Note that courses taken for audit will not be funded.
- Eligibility for summer financial aid is based on the information on the student’s 2003-04 FAFSA along with the student’s 2003-04 financial aid history. Summer aid applications will not be processed until the VCU Office of Financial Aid has received the results of the student’s 2003-04 FAFSA. Therefore, students are strongly encouraged to electronically file their FAFSA no later than March 1, 2004.
- Financial aid awards cannot be added or increased once the Summer 2004 Financial Aid Application has been submitted (exceptions possible for the Federal Pell Grant).

Limited summer financial aid

- Students enrolled at least half time during the summer session may be eligible for a Federal Direct Loan if they did not borrow the maximum allowed by their academic grade level during the academic year fall 2003 and spring 2004 semesters) or if they advanced in grade level during the 2003-04 academic year. Inform a financial aid counselor if you received a Federal Direct Loan from another school during the 2003-04 academic year.
- Students may be eligible for a Federal Pell Grant for the summer session only if they did not use their full-time Federal Pell Grant eligibility during the 2003-04 academic year. Inform a financial aid counselor if you received a Pell Grant from another school during the 2003-04 academic year.
- If there are insufficient funds available, parents of dependent students may apply for a Federal Direct PLUS Loan (available online at http://www.vcu.edu/enroll /finaid/forms/index.html). Additionally, private alternative loans are available; information about these types of loans are available online (http://www.vcu.edu/enroll /finaid/programs/loans/alternative.html).
- Emergency loans are not available during the summer session.

Summer electronic Financial Aid Notification (eFAN)

- Notice that an eFAN has been posted to eServices and is ready for review will be sent to a student’s VCU e-mail address. (Because VCU uses e-mail as an official method of communication, students should regularly check their VCU e-mail account.)
- The VCU Office of Financial Aid assumes that a student will accept all aid offered unless the student completes and submits a Summer 2004 Change Form (available online at http://www.vcu.edu/enroll/finaid/forms/index.html) indicating aid to be reduced or declined.
- Financial aid not listed on the eFAN, including scholarships awarded by other VCU departments, must be reported to the VCU Office of Financial Aid on the Summer 2004 Change Form. Receipt of such aid requires a review of financial aid eligibility.

Loan fees and master promissory note

- A 1.5 percent federal loan fee will be deducted on each Federal Direct Loan. For example, a $2,000 loan will yield $1,970 after the federal origination fee has been deducted. A 2.5 percent federal loan fee will be deducted from each Federal Direct PLUS Loan.
- Students who have been awarded a Federal Direct Loan and have not already signed a Federal Direct Loan Master Promissory Note will need to go to http://dienote.ed.gov and electronically sign their Master Promissory Note.
**Disbursement of financial aid funds and living expense refunds**
- When financial aid funds exceed university charges, student expense refunds usually occur three to five business days after funds are credited to the VCU student account; therefore direct deposit refunds should be available within five to seven business days after the student account two to four days after the first three credit hours of summer course work begins, and living expense refunds usually occur three to five business days after funds are credited to the VCU student account; therefore direct deposit refunds should be available within five to seven business days after the student account.

**Enrollment changes**
- The Office of Financial Aid will conduct an eligibility audit after the last summer session has started. If a student has dropped below half-time enrollment, all federal loans for the Summer 2004 semester will be canceled; if the student received a Federal Pell Grant, it also may be reduced or canceled. The student will have to repay all reduced or canceled financial aid that has been credited to their VCU student account. If the balance is not paid before the start of the fall 2004 semester, it will be deducted from fall 2004 semester financial aid.
- If a student withdraws from all classes before completing 60 percent of the semester (as measured in calendar days), financial aid eligibility must be recalculated based on the federal Return of Title IV Funds formula. Federal regulations stipulate that financial aid is "earned" based on the calendar days completed for the semester. Any "unearned" financial aid must be returned to the appropriate federal program(s). The student will have to repay any reduced or canceled financial aid that had already been credited to his or her VCU student account. For more details, see "Financial implications of withdrawing from VCU."

**VCU Honor System**

As members of the VCU learning community, students, faculty and administrators are expected to practice personal and academic integrity; respect the rights and property of others; honor the rights of others to their opinions and strive to learn from the differences in people, ideas and cultures.

In the academic community, the practice of academic integrity is of the highest priority. The honor system obligates each student to understand the types of conduct that are unacceptable, to refrain from acts of cheating and plagiarism and to report those who violate these standards. The honor system assumes that each student's word can be trusted implicitly and that a violation of a student's word is a violation against the whole university community. The system's effectiveness depends upon each student's acceptance of responsibility for it. For example, a student who cheats creates at least three problems for self and others: loss of knowledge that may be beneficial in the future; an unfair advantage over classmates who have not cheated; and the possibility of forming a pattern of accepting lower standards of behavior that could lead to unethical conduct in other areas.

Students should direct their attention to the VCU Honor System as printed in the VCU Resource Guide. All students should obtain a copy of this publication, which is available from several distribution points on campus, including the Commons and the e2 Bookstore. Many professors will be discussing this policy and describing their expectations for behavior during classes at the first class session.

The Honor System utilizes the Honor Pledge, which states, "On my honor, I have neither given nor received aid on this assignment." Instructors may give assignments to students in one of two ways: (1) as "Pledged" work, for which the student will sign a pledge statement indicating that the work was completed independently, or (2) as "Unpledged" work, which may be completed in collaboration with others as directed by the instructor. All work is considered to be pledged unless the instructor specifies otherwise.

It is the student's responsibility to be aware of, and to observe, the VCU Honor System and all of the policies and regulations at VCU. If he or she has a question about a policy, the student should feel free to call or stop by the Office of the Dean of Student Affairs, consult with his or her faculty adviser or ask to see someone in the Office of the Dean of the appropriate school or college.
Eligibility to enroll

Undergraduates
All students enrolled for credit as degree-seeking or special (nondegree-seeking) students must demonstrate their eligibility. Students dismissed from other institutions for academic deficiency may not enroll in classes at VCU. This policy may be waived for students who have not been in attendance at the dismissing institution for at least one year.

A student may enroll in undergraduate classes if he/she:
• is currently enrolled or admitted to a degree program and is eligible to continue at VCU,
• is a high school graduate or GED holder who has been out of school for at least one year,
• is a transfer student who is eligible to return to the former institution or has been out of school for at least one year,
• is a former VCU student who is eligible to return,
• is a degree holder taking undergraduate courses, or
• is an eligible transient student.

A student who has not been out of high school a full calendar year must meet the undergraduate degree admission standards to study as a special (nondegree-seeking) student.

Graduate students
For information about admission to graduate programs, students should consult the VCU Graduate and Professional Programs Bulletin or contact the School of Graduate Studies, 1001 Grove Ave., (804) 828-6916, or 1101 E. Marshall St., Room 1-024, (804) 828-0732. Written inquiries should be addressed to P.O. Box 980568, Richmond, VA 23298-0568.

New students not admitted to a VCU graduate program, but who hold baccalaureate degrees, may enroll as nondegree-seeking students but must complete residency and certification of eligibility forms. Students should be prepared to document that they meet the course requirements (according to the VCU Graduate and Professional Programs Bulletin) and should understand that they may be removed from the courses if they do not qualify.

Before enrolling in the graduate courses, students should be advised properly by the offering academic department. In the School of Business, credit for courses will not apply to a VCU graduate degree in business unless the student has been admitted previously to a degree program.

Questions concerning graduate school standards should be addressed to:
Sherry Sandkam, associate dean
School of Graduate Studies
1001 Grove Ave.
P.O. Box 843051
Richmond, VA 23224-3051
(804) 828-6916

Senior citizen
The Senior Citizens Higher Education Act provides that eligible senior citizens may, subject to certain limitations, audit or register for credit, tuition-free, in courses offered at VCU for academic credit. Students, including senior citizens, may not register for audit until the first day of class. Senior citizens must be 60 years of age and have legal residency in Virginia for at least one year. They are eligible to audit credit classes regardless of income. Senior citizens with yearly taxable incomes of less than $10,000 may enroll in classes for credit. In addition, senior citizens must meet VCU admission requirements, are limited to a maximum of three courses, are enrolled after tuition-paying students have been accommodated, and must pay established course fees.

Senior citizens wishing to avail themselves of the opportunity to study at VCU during the summer should call (804) 828-1831.

Academic regulations and resources

Regulations
The official policies of the university are stated in full in the university bulletins. Consult the bulletins or call the Office of Community Programs, (804) 828-1831, for more information.

Academic Regulations Appeal Committee
The Academic Regulations Appeal Committee considers petitions for waivers of academic regulations. A special student desiring to appeal an academic regulation should contact Dr. Xochela James (804) 828-1650. Degree-seeking students should see their advisers or assistant deans.

Attendance
Attendance criteria are the responsibility of each school and may vary from class to class. Students must abide by the requirements announced in each class.

When warranted, an instructor may mail attendance warnings to students faced with being withdrawn for non-attendance. Each student is responsible for keeping a current mailing address on file with the Office of Records and Registration (827 W. Franklin St., Room 104, (804) 828-1349). If mail is returned to the Office of Records and Registration because of an incorrect address, further registration activity will be prohibited until the student provides an address correction.

Change of major
Students who wish to change their majors must file a Change of Major Form. These forms are available at the Student Services Center in Founders Hall. The change of major becomes official after the OnTrack@VCU Office has received the form signed by the dean or chairperson of the appropriate school or department. A change of major should not occur for current semesters after the add/drop period. Majors may be changed for the current semester only through the first week of classes. Changes processed after the first week are effective for the following fall or spring semester. Changes processed during the summer sessions are effective for the following fall semester. Students who request, or change, a double major or a concentration within a major or a minor after the add/drop period and who do not enroll or drop all courses will need to re-request those changes.

Before initiating a change of major, students should carefully review the requirements and prerequisites of the program they wish to enter. In certain programs — including those in the schools of the Arts, Business, Education and Mass Communications and in interdisciplinary studies — a candidate must fulfill additional requirements before being accepted as a degree-seeking student.

Students currently enrolled in an MCV Campus program who wish to change to a curriculum on the Academic Campus must file a Change of Major Form. Such students are subject to the continuity policy of the Academic Campus after the major has been changed. Students currently enrolled in an MCV Campus program who wish to change to another MCV Campus curriculum program must go through the admission process outlined in the appropriate university bulletin.

Credits previously earned at VCU or at another university may or may not be applicable to the new major.

Continuance
Academic warning. A student is placed on academic warning when his/her cumulative GPA falls below 2.0 (or "C") at the conclusion of any semester of attendance (fall, spring, summer). Such notification will appear on the student’s grade report. A student remains on academic warning for one semester (fall, spring, summer) of attendance at the end of which time the student must obtain a cumulative GPA of at least 2.0. Failure to do so results in academic probation.

Academic probation. A student is placed on academic probation when the cumulative GPA is below 2.0 for two successive semesters of attendance. (Summer is a semester of attendance.) Such notification will appear on the student’s grade report.

Academic suspension. A student is placed on academic suspension when the cumulative GPA is below 2.0 for two successive semesters and the following semester GPA is below a 2.0. (Summer is considered a semester.) Notification of suspension will appear on the student’s grade report; the student also receives a letter from the Office of Records and Registration stating the grade previously earned at VCU and a notation of suspension is placed on the student’s transcript.

Academic suspension indicates that the student has a record of continued unsatisfactory progress.

A student on academic suspension may not enroll at the university for two consecutive semesters, including summer (fall and spring, spring and summer, or summer and fall). Students who receive a second suspension will be eligible to be considered for readmission only after a period of separation from the university of at least five years.

Students with questions concerning their suspension or probation should be referred to see their advisers or assistant deans. Special students should contact the College Success Program. Students who wish to appeal their suspensions to the Academic Regulations Appeal Committee must submit a written request to the assistant deans of their schools or, in the case of special students, to the College Success Program.

Credit Options
College Level Examination Program (CLEP). Degree-seeking students may earn up to a maximum of 54 hours with satisfactory scores on CLEP tests. Students should call (804) 828-8420 for further information.

Independent study. Independent study, readings and research, practicum, internship, thesis, and dissertation courses are available in some departments during the summer.

Military Services Education. VCU grants credit for formal military service school courses offered by the various branches of the U.S. Armed Services. Call Deborah Hobson at (804) 828-8420 for additional information.

Grade Exclusion Policy
Readmitted students who have been completely separated from VCU for five or more years and who meet additional eligibility criteria may request to have “D” and “F” grades previously earned at VCU excluded from their total credits earned and GPA computation for the purpose of meeting scholastic continuance and graduation requirements. For full information, refer to the Undergraduate Bulletin or call (804) 828-1831 or (804) 828-1349.

Grades and marks
Grades and grade points. VCU course work is measured in terms of quantity (semester hours of credit) and quality (grades). Grades are assigned according to a letter system; each letter is assigned a grade-point value. The number of grade points earned is computed by multiplying the grade-point value by the number of semester credits. For example, a student receiving an “A” (four grade points) in English 101 (three credits) earns 12 grade points.

The grade-point average is computed by dividing the number of grade points earned by the number of credits attempted. Only courses taken at VCU are included.

Three-week classes are intensive and demanding. Students experiencing academic difficulty should consider this advisory carefully before registering for three-week classes.

**Resources**

**Office of Academic Advising**  
S. Jon Steingass, Ph.D., director  
900 Park Ave., Room 207, (804) 828-2333  
Monday – Friday 8 a.m. – 5 p.m.

The College of Humanities and Sciences’ Office of Academic Advising provides educational planning for Humanities and Sciences undeclared majors and freshmen in the college. During the summer, the staff is available to answer all general questions about the college and its programs.

**Campus Learning Center**  
Michal Zivan Coffley, director  
109 N. Harrison St., (804) 828-1650  
Monday – Thursday 8 a.m. – 5 p.m.  
Friday 8 a.m. – 4:30 p.m.

The Campus Learning Center provides both tutoring and supplemental instruction services for VCU undergraduates. All Learning Center services are free for currently enrolled VCU undergraduates.

Tutoring is available in a wide variety of classes with an emphasis on math and science classes. Students can request a tutor for one-on-one assistance or see a tutor during designated drop-in hours.

Supplemental instruction (SI) is a nationally recognized program that works with classes students have historically found difficult. Each semester specific course sections are assigned an SI leader to offer additional academic support and assistance to students in that class.

For students who are interested in forming study groups the Learning Center, along with First Year Student Services, will provide support, guidelines and meeting space for study groups. The Learning Center also will assist students with basic study skills such as note taking and outlining in addition to other services.

**College Success Program**  
Xochela V. James, Ph.D., director  
109 N. Harrison St.

E-mail: success@vcu.edu  
Web site: http://www.has.vcu.edu/success

The College Success Program is a first year-experience designed to help students attain their academic potential and to make a successful transition to college. The program provides academic counseling, advising, peer mentoring and a variety of workshops and seminars designed to meet specific student needs. Program participants will enroll in learning communities during their first semester of enrollment. CSP students are required to take VCU 101 during the fall semester and VCU 102 during the spring semester of their freshman year. Additional support including individual and group tutoring, assistance with study skills and assistance with the development of successful time management strategies is provided for students enrolled in the program.

This yearlong first-year experience allows students to ease into the rigorous demands of university life by providing resources that assist in improving basic skills and personal confidence.

**Academic Campus e² Bookstore**  
1111 W. Broad St., (804) 828-1678

Required textbooks, trade books, art supplies, school supplies, and imprinted gifts and apparel can be purchased at the e² Bookstore. Computers and software are available at Online@VCU in the University Student Commons. Students should attend the first class before purchasing textbooks.

**Career Center**  
Sue Story, interim director  
University Student Commons, Room 130, (804) 828-1645  
Monday – Friday 8 a.m. – 4 p.m.

The Career Center assists VCU students in identifying and achieving career goals. Staff members help students discover their talents, explore career options, make career choices and achieve career/educational goals.

The Career Center offers a variety of programs, ranging from counseling and advising to workshops on career and job search strategies. An on-campus interview program brings nearly 100 employers a year to campus. The center maintains a database of current students and recent alumni seeking career opportunities in various fields.

Through the center’s computer lab, students can access various career strategy and job search links. The center also maintains current listings of vacant work-study jobs, part-time and full-time jobs, cooperative education opportunities and internships. Feel free to call or stop by during the hours listed above.

**University Counseling Services**

Monday – Friday 8 a.m. – 4:30 p.m.

University Counseling Services (UCS) is an office within the Division of Student Affairs and Enrollment Services that provides psychological services to the university community. UCS facilitates academic achievement and learning while providing opportunities for personal, intellectual, emotional and social growth. UCS services include individual psychotherapy, group psychotherapy, couples therapy, career counseling, limited medication management, limited psychological assessment, and education and prevention services. The College Success Program provides weekly workshops, computerized assessments, and individualized sessions to enhance student academic success. The Safe Zone program assists faculty and staff in the provision of supportive environments for lesbian, gay, bisexual and transgendered students. UCS services are free and available to all enrolled VCU students.

UCS professional staff include licensed clinical psychologists, licensed clinical social workers, licensed professional counselors, a consulting psychiatrist, interns in psychology, social work and rehabilitation counseling, psychiatric residents, and advanced graduate students. UCS adheres to professional, legal, clinical and ethical guidelines established by professional organizations and state law to protect student confidentiality.

Disability Support Services

Joyce Knight  
(804)828-2253 (VCU-ABLE)

VCU is committed to ensuring that individuals with disabilities have the opportunity to participate fully in all of its programs, services and activities. The university complies with the requirements of the Americans with Disabilities Act of 1990 and the Rehabilitation Act of 1973.

The Office of Disability Support Services provides direct support to students with disabilities, including but not limited to, exam modifications, adapted materials and auxiliary aids.

The first step is self-identification. Students with disabilities are responsible for visiting the DSS office, providing appropriate documentation of their disabilities and requesting services. Students are strongly encouraged to self-identify at least four weeks prior to the first day of classes. The university cannot guarantee that accommodations will be in place by the first day of classes for those students who do not self-identify and request services at least four weeks prior. However, students have the right to request services at any time during their enrollment at VCU.

English Language Program  
(804) 828-2551

English Language Program (ELP) offers intensive English for nonnative speakers who wish to improve their English language skills for undergraduate/graduate study at an American university, or for professional or personal purposes. Courses are offered in eight week sessions at the following levels: beginning English; pre-intermediate; intermediate; high-intermediate and advanced.

Admission to the English Language Program may be recommended, based on TOEFL scores, by the Office of Undergraduate Admissions at the time of university application review. Students who desire English language courses only may apply directly to the English Language Program. Information describing classes, placement testing, schedules, fees and admission requirements are available in the ELP Office at the Office of International Education, 916 W. Franklin St., Room 205, or by calling an ELP adviser at (804) 828-2551.

Degree-seeking students desiring admission to the university should contact International Admissions, (804) 828-6016.

Parking: Academic Campus

VCU Parking Office

1111 W. Broad St., (804) 828-8726

Monday – Friday 8 a.m. – 4:30 p.m.

During the summer semester, parking is available to all students in the West Main Street, West Cary Street, West Broad Street and Bowe Street Decks from 7 a.m. until midnight. The daily parking rate for Academic Campus facilities is $3 per entry with a valid student ID. Students attending evening classes may purchase an evening parking decal from the Parking Office. This decal is essentially a “hunting license” that permits the subscriber to park in any unrestricted facility with 20 or more space places after 3:30 p.m. (The restricted facilities on the Academic Campus are: BB, IA, JJ, OO, QQ, RL, RR, UU, WW and the designated faculty/staff spaces of the W Lot, Food Service Lot, West Main Street, West Cary Street, West Broad Street and Bowe Street Decks.) Evening decals are transferable from one vehicle to another as long as each vehicle is properly registered with the Parking Office. Evening decals must be clearly displayed on vehicles parked in VCU facilities. The evening decal is nonrefundable and does not guarantee a parking space. A replacement fee of $25 will be charged for lost or stolen permits.

For additional information on Academic Campus parking or to request a parking application, please call the Parking Office at (804) 828-8728 or visit the office located in the West Broad Street Deck at 1111 W. Broad St. between the hours of 8 a.m. and 4 p.m., Monday through Friday. Other information, including shuttle schedules, is available 24 hours a day, seven days a week, by calling VCU-PARK (828-7275) or visiting http://www.bsv.vcu.edu/vcupark.

Residence Hall Facilities

Academic Campus (804) 828-7666

MCV Campus (804) 828-1800

Only students enrolled in summer classes are eligible for summer residence hall housing. Double occupancy rooms are available at the cost of $58 per week. Summer rent may be paid at check-in or included on the university bill. Please sign up for the entire length of stay, so that the bill will reflect accurately summer rent and tuition. No partial or weekly payments will be accepted. Students may check-in from 9 a.m. to 3:30 p.m. during the week or on the Sunday before their classes begin. No Saturday check-ins. Summer residents are required to check out within 24 hours after their final class.

Questions? Contact University Housing, Central Office, Gladding Residence Center #159, 711 W. Main St., P.O. Box 842517, Richmond, VA 23284-2517, (804) 828-7666 or, on the MCV Campus, Bear Hall Housing, Residence Education Office, 10th and Leigh streets, P.O. University Student Commons

907 Floyd Ave., (804) 828-1981

The facilities, services and programs of the University Student Commons and Activities are designed and implemented to bring together all members of the VCU community—students, faculty, staff, alumni and guests—thereby contributing to intellectual, emotional and social growth through informal interaction.

A diverse offering of educational, social, cultural and recreational programs represents an invitation to make use of personal time as an integral part of the college experience. Students develop and refine citizenship, leadership, management and interpersonal skills through participation in programs, events and organizations with administrative and advising support from staff.

The Commons is the gathering place for the VCU community, and all the facilities and services in the Commons are conveniently accessible to people with disabilities.

For summer hours and more information, please visit http://www.students.vcu.edu/commons/.

Summer Studies Administration

920 W. Franklin St., Room 202, (804) 828-1831

Summer studies is administered through the Office of Community Programs. Summer students are encouraged to call or stop by with summer questions or concerns.

Office of Veterans Affairs

James Chambliss, certifying official  
827 W. Franklin St., Room 326, (804) 828-6166

Monday – Friday 8 a.m. – 4:30 p.m.

Students who plan to apply for veterans benefits under the Contributory Educational Assistance Program (VEAP), New Montgomery G.I. Bill, Vocational Rehabilitation (disabled), Selected Reserve Educational Assistance Program, or a dependent whose parent was killed in action, held hostage, received 100 percent service-connected disability or died of a service-connected disability should contact the Office of Veterans Affairs.
All courses offered on campus for this semester are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700 and 800 series courses are graduate-level courses.

Students usually must have a bachelor’s degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students’ advisers may take some 500-level courses.

Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

### Evening courses

Day and evening courses form a single educational unit at VCU. The credit students earn in evening courses is indistinguishable from that earned in the day. Students who wish to attend evening classes during the summer should look up the desired courses in this schedule and select a 900 section (e.g., CRJS 360 Section 901). Most evening courses meet on Mondays and Wednesdays or Tuesdays and Thursdays for eight weeks.

### Section numbers

The beginning letter or number indicates the following about designated sections:

- **7XX** = honors
- **8XX** = variable credit (MCV Campus only)
- **9XX** = evening
- **LXX** = laboratory
- **CXX** = off campus

### Day codes

The following symbols are used for the days of the week:

- **U** = Sunday
- **W** = Wednesday
- **S** = Saturday
- **M** = Monday
- **R** = Thursday
- **F** = Friday
- **T** = Tuesday
- **H** = Friday
- **TR** = Tuesday and Thursday

The use of multiple symbols means that the class meets on each day indicated. MWRF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

### Comments/restrictions

Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that the student is not eligible to take. Please note the message that a fee is required for a particular course. (The fee table lists the fees for the courses with the fee required message.) For example:

Chemistry

All chemistry classes, including laboratories and recitation sections, meet from the first day of classes. Students enrolled in chemistry classes must attend the first scheduled class. Students on the class roll who do not attend the first scheduled class may be dropped and replaced with students waiting to add the class.

**Mathematics**

Any student requiring a mathematics course before enrolling in a calculus, statistics or computer science course should note the following: if you have not taken the Mathematics Placement Test and have not taken the prerequisite course for the course you need, take the Mathematics Placement Test before enrolling in mathematical science courses. Make sure you know which courses are recommended for your major. Both the Department of Mathematics and Applied Mathematics and your adviser can help you with the possible choices.

For those preparing for, and not placing into, calculus (MATH 200), MATH 151 Precalculus Mathematics is the appropriate prerequisite course. For those preparing for, and not placing into, statistics (STAT 208 or STAT 210), MATH 131 or MATH 141 is recommended as a prerequisite, though any higher numbered MATH course will serve as well; it is important that you satisfy any additional mathematics requirements of your department as well as preparing for your statistics course. (For more information about the Mathematics Placement Test or college requirements, please visit http://www.math.vcu.edu/mathlab/)

The noncredit course MATH 001 Elementary Algebra is only available during the summer session, and will not be offered for fall 2004.

## Statistics

Students requiring statistics courses for their majors should check with their department/advisers regarding which courses are appropriate. Some departments require STAT 210, some require STAT 208, and some recommend (but do not require) one or the other. Note that the prerequisite for either course is a satisfactory score on the Mathematics Placement Test or completion of MATH 131 or higher level math course.

Transfer students can demonstrate accepted transfer credit for a college algebra (or higher level) course as a prerequisite.

Students may not receive credit toward graduation for both STAT 208 and STAT 210.

Applied Music

Note to students registering for private lessons: private lessons in classical and jazz instruments and voice are available to VCU students for one credit. Ability to read music is required. For undergraduate music majors, one-credit lessons have an additional applied music fee of $142/semester. For undergraduate non-music majors, one-credit lessons have an additional applied music fee of $225/semester. For graduate music majors, one-credit lessons have an additional applied music fee of $150/semester. One-credit lesson registration entitles the student to 7.5 hours of private instruction during the summer session. Lessons are available on most classical and jazz instruments, depending on the availability of the instructors. Lessons in voice are available, but an audition is required. To register for any private lesson, non-music majors must obtain the correct call number from Room 132, Performing Arts Center, 922 Park Ave., or call the Department of Music office, (804) 828-1166. Music majors need to consult their advisors. All undergraduate students register on the 600 level, all graduate students register on the 900 level. After registering for lessons, it is the responsibility of the student to contact his or her assigned teacher by the prescribed university add/drop period. Teacher assignments are posted beside Room 132, Performing Arts Center, 922 Park Ave., on the first day of classes each semester. Any student who decides to drop or withdraw from a private lesson has the responsibility to do so prior to the prescribed university deadlines. University policies regarding tuition refunds apply to private lessons. The applied music fee is not refundable after the add/drop period.
