# VCU Course Evaluation System

*User guide for faculty and department chairs*

Updated July 28, 2023

# General Information

We evaluate most courses on Monroe Park Campus and few classes on MCV Campus. *Courses with less than 5 students are not evaluated.*

Most schools use their own evaluation instrument.

**Days 14** Evaluations are open during last 14 days of each course (7 days for summer courses).

Students receive notification email when evaluations open. Email contains direct link to evaluation forms.

Students who have not completed the evaluations receive reminder emails.

Reports are published after all grades have been submitted.
