

How to Read the Codes

Guide to the codes

All courses offered on campus for this term are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700, and 800 series courses are graduate-level courses.

Students usually must have a bachelor's degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students' adviser may take some 500-level courses.

Section numbers. The beginning letter or number indicates whether a course is a honors, a variable credit, an evening, or intersession course.

7XX = honors
8XX = variable credit
9XX = evening
CXX = off-campus
VXX = intersession

Day codes. The following symbols are used for the days of the week:

U = Sunday M = Monday
T = Tuesday W = Wednesday
R = Thursday F = Friday
S = Saturday TBA = To Be Announced

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

Comment areas. Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that you are not eligible to take. Please note the message that a fee is required for a particular course.

For example:

CARD 121 001
Fee Required - See Fee Table in Front of Book

The fee table lists the fees for the courses with the fee required message.

Restrictions. Many sections have major, school and classification restrictions placed on them by the department offering the course. Any restriction for a section is listed directly below that section's listing. Enrollment in restricted courses is limited.

For example:
16519 ARTE 402 002
Majors Only

This section of Art Education 402 is only open to Art Education (AEN) majors. If your major is Psychology (PSY) for example, you may not register for this section without an override.

For example:
13080 MRBL 376 001

This section is not open to BFO or SND majors.
