Registration Instructions

MCV Campus Students

1. Pick up your registration materials from your adviser or from the department of your major.
2. Plan your semester with your adviser or your department.
3. Use the COURSE REQUEST FORM to list your courses for the semester, including any Academic Campus courses.
Be sure to include variable credit hours where necessary.
4. Turn in your completed materials in accordance with the procedures dictated by your department.

Virginia Commonwealth University is an equal opportunity/affirmative action university and does not discriminate on the basis of race, gender, age, religion, ethnic origin or disability.

A Word to Students ABOUT THIS BOOKLET

The *Schedule of Classes* provides you with information needed to register.

It includes information about courses offered that term, including time, days and place of meetings, prerequisites and the instructor's name — as well as valuable general information about VCU.

However, the *Schedule of Classes* does not include all the information you need to access the University. Please be sure that you have a copy of each of the following documents:

- **University Bulletin** — VCU publishes two bulletins. The bulletins include essential information not included in this schedule — academic policies, descriptions of all current VCU courses, prerequisites and information about program and degree requirements. Obtain a copy of the bulletin appropriate to your course of study from a VCU Bookstore or Student Services Center. The bulletins also are available on the World Wide Web.

--- www.vcu.edu/bulletins/upp/
(*Undergraduate and Professional Programs Bulletin*)

--- www.vcu.edu/bulletins/grad/
(*Graduate Bulletin*)

- **VCU Resource Guide** — This directory of services also includes the complete texts of the VCU policies and procedures that directly affect students. The *Resource Guide* is updated annually. Pick up a copy of this year's edition from the Commons Information Center or the administrative offices of the Division of Student Affairs.

The *Resource Guide*, including all policies, is also available on the World Wide Web.

--- www.students.vcu.edu/rg/

Special students and returning adult students are invited to seek the specialized assistance available from the Office of Community Programs (828-8420).

Important Things to Remember

SYMBOLS

The following symbols are used for days of the week:

N = Sunday M = Monday
T = Tuesday W = Wednesday
R = Thursday F = Friday
S = Saturday

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday, Friday and TR indicates Tuesday and Thursday.

COMMENTS

Many sections have a “comment” that concerns registration. All comments refer to the section preceding the comment.

YOUR MAILING ADDRESS

Remember, the mailing address on your Personal Update Form (PUF) is the address to which all of your official VCU mail is sent; bills, schedules, grades, etc. The address may be changed at the Student Services Center (Sanger Hall room 1-055) throughout the semester. Please keep your mailing address up to date.

PICK UP YOUR COPY

Students may pick up a copy of their current schedule at the Student Services Center (Sanger Hall room 1-055) anytime during the semester. A picture ID is required. These schedules show any changes in your scheduled classes which may have occurred since the time of registration.
