

Reading the codes

All courses offered on campus for this term are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700 and 800 series courses are graduate-level courses.

Students usually must have a bachelor's degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students' advisers may take some 500-level courses.

Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

Evening courses

Day and evening courses form a single educational unit at VCU. The credit students earn in evening courses is indistinguishable from that earned in the day. Students who wish to attend evening classes during the summer should look up the desired courses in this schedule and select a 900 section (e.g., CRJS 360 Section 901). Most evening courses meet on Mondays and Wednesdays or Tuesdays and Thursdays for eight weeks.

Section numbers

The beginning letter or number indicates the following about designated sections:

7XX = honors	LXX = laboratory
8XX = variable credit (MCV Campus only)	L5X = evening laboratory
9XX = evening	CXX = off campus

Day codes

The following symbols are used for the days of the week:

U = Sunday	W = Wednesday	S = Saturday
M = Monday	R = Thursday	TBA = To be announced
T = Tuesday	F = Friday	

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that you are not eligible to take. Please note the message that a fee is required for a particular course.
