Chemistry

All chemistry classes, including laboratories and recitation sections, meet from the first day of classes. Students enrolled in chemistry classes must attend the first scheduled class. Students on the class roll who do not attend may be dropped and replaced with students waiting to add the class.

Mathematics

Any student requiring a mathematics course before enrolling in a calculus, statistics or computer science course should note the following: If you have not taken the mathematics placement test and have not taken the prerequisite course for the course you need, take the mathematics placement test before enrolling in mathematical sciences courses. With the advent of new general education requirements in all schools within the university, the 100- and 200-level mathematical sciences courses have been revised. Make sure you know which of these courses are recommended for your major. Both the Department of Mathematical Sciences and your adviser can help you with the possible choices. For those preparing for, and not placing into, calculus (MATH 200), MATH 151 Precalculus Mathematics is the appropriate prerequisite course. For those preparing for, and not placing into, statistics (STAT 208 or STAT 210), MATH 131 or MATH 141 is recommended as a prerequisite, though any higher-numbered MATH course will serve as well; it is important that you satisfy any of your department's requirements while preparing for your statistics course. The non-credit course MATH 001 Elementary Algebra is offered in lecture (031-034, 936) and self-paced (004-017, 918-922) sections and is charged at the undergraduate three-credit-hour rate. MATH 141 Algebra with Applications is offered in self-paced (004-017, 918-922) sections.

Philosophy

The Department of Philosophy and Religious Studies offers two courses on the Web. These are self-paced and computer-taught classes. To obtain information regarding these courses and how to register, visit the Web site. --- www.has.vcu.edu/think.html

These courses are listed as PHIL 221 091 and PHIL 222 091. If you have problems, phone the department at (804) 828-1224.

Spanish

Students with at least three units of Spanish and who wish to continue study of that language at VCU, must take the Language Placement Test before registering. The test will be given Thursday, March 23, 2000 between 11 a.m. and 2 p.m. and Wednesday, March 29, 2000 between 11 a.m. and 2 p.m. in the Foreign Language Department, Bird House, Room 201, 820 W. Franklin St.

Statistics

Any student requiring a statistics course for their major should check with their department/adviser regarding which course is appropriate. The two courses STAT 208 and STAT 210 replace the STAT 213 course, with some departments requiring STAT 210, some requiring STAT 208, and some recommending one or the other. Note that the prerequisite for either course is a satisfactory score on the Mathematics Placement Test or completion of MATH 131 or higher level math course. Transfer students can demonstrate accepted transfer credit for a college algebra (or higher level) course as a prerequisite.

School of the Arts

Applied Music

Note to students registering for private lessons. Private lessons in classical and jazz instruments and voice are available to VCU students for one to three credits each term. Ability to read music is required. For undergraduate music majors, one-credit lessons have an additional applied music fee of \$130/term, two- and three-credit lessons have an additional fee of \$260/term. For undergraduate non-music majors, one-credit lessons have an additional applied music fee of \$225/term, two-credit lessons have an additional fee of \$450/term. For graduate music majors, one-credit lessons have an additional applied music fee of \$150/term, two- and three-credit lessons have an additional fee of \$300/term. Registration for a one-credit lesson entitles the student to one 30-minute lesson per week for 14 weeks, two- and three-credit students are to receive a one-hour lesson per week for 14 weeks.

Lessons are available in the following areas: bassoon, carillon, cello, clarinet, conducting (graduate, three credits only), composition, double bass, drum set, euphonium, flute, French horn, guitar, harp, harpsichord, oboe, organ, percussion, piano, saxophone, trombone, trumpet, tuba, violin, viola and voice. To register for any private lesson, non-music majors must obtain the correct call number from Room 132, Performing Arts Center, 922 Park Ave., or call the Department of Music office, (804) 828-1166. Music majors need only consult their advisers. At the undergraduate level, one-credit lessons are open to all majors, two-credit lessons are available to non-music majors with permission of instructor, and three-credit lessons are restricted to music majors. Each course is repeatable without limitation. All undergraduate students register on the 300 level, all graduate music majors on the 600 level.

After registering for lessons, it is the responsibility of the student to contact his or her assigned teacher by the conclusion of the add/drop period. Teacher assignments are posted beside Room 132, Performing Arts Center, 922 Park Ave., on the first day of classes each term. Any student who decides to drop or withdraw from a private lesson has the responsibility to do so prior to the prescribed university deadlines. University policies regarding tuition refunds apply to private lessons. The applied music fee is not refundable after the add/drop period.

School of Business

Accounting

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may enroll only in the following upper-division accounting (ACCT) course, provided any course prerequisites are met: **ACCT 305 Tax Planning for Individuals**. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Economics

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may not enroll in the upper-division economics (ECON) courses. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Marketing and Business Law

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may not enroll in the upper-division marketing and business law (MRBL) courses. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Academic Affairs

VCU1 101 Introduction to the University. This course is designed to orient new students to the rich traditions and purposes of an education at Virginia Commonwealth University. It is designed to assist students in making the transition to academic life at VCU from high school, community college, other university or the world of work. Through lectures, class discussions, on-campus projects, readings and the opportunity to work with faculty in a small-group setting, students can discover the resources and services of VCU, assess their academic strengths and limitations, consider academic and career goals, and clarify expectations about being a student at VCU. After this course, students will understand better their "fit" as a new member of the VCU community and the ways to achieve a personally rewarding and successful academic program.

Service learning

Service-learning courses extend the boundaries of the classroom into the community so that students can get first-hand experience applying the knowledge of the course to real-world challenges. Students participate in community service projects and then reflect on their activities in the classroom so that they can better understand the course material and needs of the community. For more information on service learning contact Dr. Cathy Howard in the Office of Community Programs at (804) 828-1831.
