

Financial information

Tuition and fees

The Student Accounting Department issues bills to students for tuition and appropriate fees. Preregistered students' tuition and fees, along with charges for room and board where applicable, are due approximately one week before the start of the semester. All other students will be sent a bill at the end of the add/drop period due approximately two weeks later. The university reserves the right to revise or alter all fees, regulations pertaining to student fees and fee collection procedures at any time.

Tuition is determined by both the student's residency classification and classification as a full- or part-time student. Eligibility for in-state tuition benefits is determined by Section 23-7.4 of the Code of Virginia. Students seeking to change their residency status from out-of-state to in-state for tuition charges should go to the Residency Office of VCU Records and Registration and formally apply for a change. The residency application deadline is 30 days prior to the beginning of the semester for which you are applying. For further information on residency determination, call (804) 828-0366.

Students registered for a full-time course load are charged a flat rate for tuition and fees. An undergraduate student enrolled for 12 to 18 credits during any semester is classified as full time. A graduate student enrolled for nine to 15 credits during any semester is classified as full time. Students registered for less than a full-time course load are charged a per-credit-hour rate based on the course level; e.g., undergraduate or graduate.

The rate for "no credit" courses is determined by the number of lecture or laboratory-tutorial hours.

An undergraduate student enrolled for more than 18 credits and a graduate student enrolled for more than 15 credits will be charged a course overload fee on a per-credit-hour basis above the full-time tuition rate. The overload fee will not apply to students in first professional programs or other programs that specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.

Many students have their tuition and/or fees paid by outside agencies or businesses. The university will accept a letter from the agency/business stating that these charges are unconditionally guaranteed. This letter should be submitted to the Student Accounting Department prior to the start of classes. Students may charge their tuition and fees to Visa, MasterCard or Discover Card.

Fees

Student activity fee — is charged to all full-time and part-time Academic Campus students. This fee supports activities scheduled throughout the academic year, such as concerts, plays, student organizations and publications.

Student government association (SGA) fee — is charged to all full-time and part-time Medical College of Virginia Campus students. This fee supports social, cultural and other MCV Campus activities.

University fee — is charged to all full-time and part-time students. Full-time students pay a flat rate. Part-time students pay a per-credit-hour rate. This fee is used by the university to support recreational sports facilities, the University Student Commons, campus development, intercollegiate athletics and other programs.

Technology fee — is charged to all full-time and part-time undergraduate, graduate and professional students in all programs. This fee is used to support university-wide technology initiatives, including the libraries.

Student health fee — is charged to all full-time students on both campuses. Part-time students may participate on an optional basis but must pay the full fee. The health fee covers unlimited visits to University Student Health Services for the diagnosis and treatment of acute

and chronic illnesses. The student health fee does not cover accidental injury and hospitalization. Fee revenues are used to cover operating costs for University Student Health Services.

Drop vs. withdraw

Drop — charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid, and any financial aid already credited to the student's account based on the original course registration will be removed from the student's account and may create a balance due to the university.

Withdraw — results in the academic grade of "W." Charges are assessed and adjusted according to the University Refund Policy. Students may owe a balance to the university.

Refund policy

The official university tuition and fees refund policy, applicable only for the fall and spring semesters (excluding short courses), is outlined in the table that follows. Refunds are calculated on a course-by-course basis, disregarding the full-time cap amounts. Students who are enrolled in the maximum number of credit hours and withdraw to part-time enrollment and students who are in an overload status and withdraw to the full-time credit hour maximum may not receive a refund.

Withdrawal/ drop period	Student refund	Retained by university
Drop/withdraw prior to and during the first week of classes	100% tuition and fees	0%
Withdraw second week of class	80% tuition and university fee	20% tuition and university fee
Withdraw third week of class	60% tuition and university fee	40% tuition and university fee
Withdraw fourth week of class	40% tuition and university fee	60% tuition and university fee
Withdraw after fourth week of class	0%	100% all fees

This table pertains to both complete withdrawals and reduced course loads for fall and spring semesters only.

Students in off-campus classes are subject to the same refund policy as all other university students if the class is scheduled on the regular semester schedule. If the off-campus class is shorter or longer than the academic semester, the refund dates are adjusted accordingly at the request of Off-campus Programs, Division of University Outreach.

The refund policy and deadlines of the English Language Program are different from the university's refund policy for academic classes. Details of the policy may be obtained from the English Language Program Office in the Center for International Programs.

A full refund for Holiday Intersession will be granted if the course is dropped before 4:30 p.m. on the day of the first class meeting. Partial refunds are not granted.

A full refund of tuition and applicable fees for short courses will be granted if the course is dropped no later than the day following the first day of a given class. (This deadline also is applicable if the class does not meet on two consecutive days.) Students reducing their academic course load to fewer than full time (12 credits for undergraduates and nine credits for graduates) before the end of the last day to drop a course will be entitled to a refund of tuition and applicable fees reflecting the reduced course load. Partial refunds are not granted for short courses.

Students who are financial aid recipients and withdraw from all courses before completing 60 percent of the semester must have their eligibility recalculated based on the Federal Return of Title IV Funds formula. They will have to pay all or a portion of the financial aid funds that were disbursed to their VCU account.

Refunds will be computed based on the actual withdrawal date certified by the Office of Records and Registration in the Division of University Outreach.

Refunds will not be made to students who do not attend classes and have not completed the required withdrawal procedure. Refund processing may take approximately two weeks. Exceptions to this refund policy are made only in rare instances. Written application for an exception must be filed with the Student Accounting Department's Refund Appeals Committee.

Students will not be entitled to a refund of room fees:

- if they are suspended from the residence halls for disciplinary reasons,
- if they voluntarily withdraw from the university residence halls but remained registered for any course(s) at the university unless clearance is granted through the Office of the Dean of Student Affairs, or
- unless they have completed the withdrawal procedures through the Housing Office.

A refund of the board plan charges will be made if:

- the cancellation occurs prior to the first official board plan day of the year provided the dining services coordinator has been given written notification. A full refund of the board plan charges will be made at this time. If the cancellation occurs throughout the semester, refunds will be granted on a daily proration.

Refer to the Room and Board Contract Terms and Conditions for additional information.

Requests for refunds of overpayment may be made in writing to VCU Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036. Refund request forms are available at the student services centers, 827 W. Franklin St., Room 104 and 1101 E. Marshall St., Room 1-055. In accordance with credit card regulations, the university will refund the credit card account with any credit balance that may result on a student's account as the outcome of a credit card payment. The remaining credit balance, if any, will be refunded to the student.

Financial aid implications

Based on regulatory changes recently passed by Congress, students who receive Title IV financial aid funds (grants, loans or work-study) may be required to repay all or a portion of the financial aid that was disbursed to their student account if they withdraw from VCU prior to completing 60 percent of the semester. For examples, see Page 8. For details on how this requirement applies to your situation, please contact a counselor in the Office of Financial Aid at 901 W. Franklin St. (Shafer Court entrance) or call (804) 828-6669.

Defense crisis tuition relief, refund and reinstatement guidelines

These guidelines apply to any operation, including a defense crisis, in which the president of the United States declares a sudden mobilization that includes members of the Virginia National Guard or the active or reserve forces of the U.S. Armed Forces who are students enrolled at VCU. Students are offered the following enrollment secession options:

1. Drop all courses before the end of the add/drop period and receive a full refund of all funds paid the university. Students will be asked to sign the drop request form with the registrar indicating that they are not receiving a financial aid refund.

This option might best meet the needs of students who are called to active duty service during the first week of school and did not receive a financial aid refund check or direct deposit.

2. Receive a grade of incomplete ("IM" – incomplete military) in one or all courses. Students residing in university housing will be released from their housing and meal contracts and will receive a prorated refund of these charges. Students who choose to take a grade of "IM" will not have tuition and fees reduced for these courses because credits will still be earned for the semester. Students will have 12 months from the date that they leave the university to complete the course work and earn a course grade.

This option might best meet the needs of students who have essentially completed all course work in a class for the semester, but have yet to turn in a final project, an exam or other materials. It should be agreed upon between the instructor and the student that the remaining course work can reasonably be completed during the upcoming 12-month period.

3. Accept administrative withdrawal ("WM" – withdrawal military) from one or all courses as of the effective date of the orders to active duty. If this option is elected, a full refund of all tuition, fees and prorated room/board charges will be made for the courses that the "WM" is elected. If a student received financial aid, the amount recovered to the financial aid accounts will follow Title IV guidelines not to exceed university charges.

This option might best meet the needs of students who are called to national service in the middle of a semester and have not completed 90 percent of their class requirements. This option also might best meet the needs of students who are leaving the university during the first week of class and received a financial aid refund check or direct deposit as a result of their financial aid.

Leaving the university. To initiate this process, the student must provide the university registrar with a copy of his/her active duty orders in addition to a printed copy of his/her course registration for that semester and indicate Option 1, 2 or 3 for each course. The university registrar will take the appropriate enrollment action, post the appropriate grades and send a copy of the orders and a copy of the student course request statement to the director of financial aid and the manager of student accounting.

Returning to the university. If the student returns within one year of completing their national emergency service requirement, the student may return to the university in the same program of studies without re-applying for admission. The student should begin the re-enrollment process by writing the director of admissions regarding their intent to re-enroll.

Statement of student financial responsibility

Every student is responsible for keeping a current mailing address on file with the Office of Records and Registration.

A student who fails to meet payments when due may be assessed a late payment fee and is denied registration for future classes until he or she has paid all amounts owed to the university.

Student accounts with balances owed the university are referred to the Collection Unit. Pursuant to Section 2.1-732 et. seq., of the Code of Virginia, and in accordance with rules and regulations promulgated by the state comptroller and attorney general of the commonwealth of Virginia, VCU will charge interest, costs and fees on all accounts past due. Students with balances owed the university are not issued degrees, transcripts, grades or grade reports, until all charges are paid in full.

Students are reminded that they are ultimately responsible for any unpaid balance on their account as a result of the Financial Aid Office or their sponsor canceling or reducing the award.

Any communication disputing an amount owed, including an instrument tendered as full satisfaction of a debt, must be submitted to the Director of Student Accounting, Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036.

VCU participates in the Virginia Set-Off Debt Collection Act of 1981. Under the provisions of this act, a Virginia individual income tax refund is subject to the university's claim for unpaid balances of tuition and fees.

Dishonored checks

A fee of \$20 will be levied for all dishonored checks.

Financial Aid

Financial implications if you withdraw from VCU

Beginning fall 2000, students who receive Federal Title IV grant or loan assistance and withdraw from VCU before completing 60 percent of the semester (as measured in calendar days), must have their eligibility recalculated based on the Federal Return of Title IV Funds formula. This federal formula specifies that a student's financial aid eligibility must be recalculated based on the aid the student has "earned" (based on the number of days that the student was enrolled or attending VCU prior to withdrawal). Any unearned aid for the period of enrollment that the student did not complete must be returned to the appropriate Title IV programs from which the student was awarded.

For VCU students who withdraw prior to completing 60 percent of the semester, they will have to pay all or a portion of the financial aid funds that were disbursed to their VCU account, and may be responsible for all or a portion of their tuition/fee charges that were previously paid by financial aid sources.

Example 1: Sally Student is a full-time, in-state, College of Humanities and Sciences undergraduate student at VCU. For the program that Sally is enrolled in, VCU's fall 2000 start date (first day of classes) is Aug. 28, 2000, and the fall 2000 end date is Dec. 19, 2000. Sally's tuition/fee charges and financial aid for the fall semester are as follows:

VCU charges	Fall 2000		
Fall tuition/fees	\$1,825		
Financial aid funding		Date disbursed	
Federal Pell Grant	\$1,650	Aug 28, 2000	
Federal SEOG Grant	\$750	Aug 28, 2000	
Federal Perkins Loan	\$1,000	Sep 1, 2000	
Federal Work-Study	\$1,500		
Virginia State Grant	\$1,100	Aug 28, 2000	
Total financial aid	\$6,000		

Financial aid of \$4,500 was disbursed to her student account paying tuition/fee charges of \$1,825 and resulting in a refund of \$2,675 direct deposited to her bank account on Sept. 1, 2000 to help her pay for rent, food, books and supplies for the fall 2000 semester.

In September, Sally missed two weeks of classes due to illness. She returned to classes on Sept. 19, but decided after two days that she was too far behind in her course work to catch up. On Sept. 21, she notified the registrar that she was withdrawing and began the official withdrawal process. Since Sally withdrew on Sept. 21, 2000, she only completed 21.9 percent of the semester.

Based on Sally's withdrawal date, VCU must cancel \$1,000 Perkins loan, \$1,038 in Pell Grant, and \$3 of Federal SEOG grant funds. These funds will be returned to the federal government on Sally's behalf. This action will create charges of \$2,041 on Sally's account; however, due to her withdrawal from all classes during the fourth week, the tuition/fees of \$1,825 would be reduced to \$1,146.60 (a savings of \$678.40). The result is that Sally must pay \$1,362.60 that was previously paid by financial aid funds.

Sally will have to repay VCU \$1,362.60.

Example 2: Steve Student is a full-time, in-state freshman. For the program that Steve is enrolled in, VCU's fall 2000 start date (first day of classes) is Aug. 28, 2000, and the fall 2000 end date is Dec. 19, 2000. Steve's tuition/fee charges and financial aid for the fall semester are as follows:

VCU charges	Fall 2000		
Fall tuition/fees	\$1,825		
Fall room/board	\$2,397		
Total VCU charges	\$4,222		
Financial aid funding		Date disbursed	
Federal Direct Stafford Loan	\$1,265	Aug 24, 2000	
Federal PLUS Parent Loan	\$2,800	Aug 28, 2000	
Total financial aid	\$4,065		

Financial aid funds of \$4,065 were disbursed toward his student account charges of \$4,222, and Steve paid the remaining balance of \$157 using his credit card.

Sometime during the semester Steve stopped attending classes, but he did not notify anyone that he was withdrawing from school. He simply left the university. At the end of the semester his instructors reported grades of all "F"s since he had not completed his course work. Steve's last day of attendance is not known to VCU since he did not officially withdraw; therefore, the midpoint of the semester is used as the last date of attendance for Title IV funding purposes. Therefore, Steve only earned 50 percent of the financial aid that he had originally received for the fall semester.

Based on 50 percent completion, VCU must cancel the entire Federal Student Stafford Loan of \$1,265 and must cancel \$846 of the Parent's PLUS Loan. These funds will be returned to the federal government on the borrower's behalf. This action will create charges of \$2,111 on Steve's account.

Since Steve did not officially withdraw from VCU there is no tuition/fee adjustment. Due to the reduction of financial aid required by the federal "Return of Title IV Funds" formula, Steve must pay \$2,111 that was previously paid by financial aid funds.

Steve will have to pay VCU \$2,111.00.

Financial aid update

If you anticipate enrolling for summer 2001 and are receiving financial aid during the regular school year, please think about your budget now.

Federal Direct Student Stafford loans are limited by your grade level and dependency status to the following annual and lifetime loan limits:

	Dependent (as defined by the FAFSA)		Independent (as defined by the FAFSA)	
	Annual Maximum Loan Amount	Total Lifetime Loan Limit	Annual Maximum Loan Amount	Total Lifetime Loan Limit
Freshmen (less than 24 earned hours)	\$2,625	\$23,000	\$6,625	\$46,000
Sophomore (24 to 53.9 earned hours)	\$3,500	\$23,000	\$7,500	\$46,000
Junior/Senior (54 or more earned hours)	\$5,500	\$23,000	\$10,500	\$46,000
Graduate			\$18,500	\$138,500
Professional – Medical/Dental			\$38,500	\$189,125
Professional – Pharmacy			\$31,000	\$189,125
Professional – Health Administration			\$31,000	\$189,125
Professional – all other			\$18,500	\$138,500

The more Federal Direct Student Loan funds you borrow during fall 2000 – spring 2001, the fewer loan funds you will have available for summer 2001.

Example 1: If a dependent junior/senior student plans to study and/or travel via Study Abroad for summer 2001 here are two possible budgeting alternatives for covering the summer 2001 expenses:

	Federal Direct Loan Fall 2000	Federal Direct Loan Spring 2001	Federal Direct Loan Summer 2001	Private Alternative Loan Summer 2001
Alternative 1 — Junior/Senior	\$2,750	\$2,750	\$0	\$4,000
Alternative 2 — Junior/Senior	\$2,000	\$2,000	\$1,500	\$2,500

If you budget your loan funds and set aside \$1,500 (as done in Alternative 2 above), you may still need to borrow additional private alternative loans during the summer 2001 semester, but the amount of your private alternative loan would be less than you would otherwise need to borrow. Private alternative loans generally require a clean credit history and/or credit-worthy co-signer. Private alternative loans will accrue interest while you are in school, but many times payments can be deferred until after you have completed your educational program at VCU — please contact the private alternative lenders for further details.

Example 2: If a dependent freshman student borrows the maximum loan amount of \$2,625 during fall/spring 2000-01, and completes/earns at least 24 credit hours by the end of the spring 2001 semester, the student will be a sophomore for summer 2001. As a sophomore, the student may borrow up to \$3,500 annually, so the student could borrow the remaining \$875 Federal Direct Loan eligibility for summer 2001 (\$3,500 – \$2,625 = \$875).

Federal Direct Loan Fall 2000 (freshman status)	Federal Direct Loan Spring 2001 (freshman status)	Federal Direct Loan Summer 2001 (sophomore status)	Total Annual Loan Amount
\$1,313	\$1,312	\$875	\$3,500
