About the Schedule of Classes

The Schedule of Classes provides information needed to register. It includes information about courses currently offered, including time, days and place of meetings and the instructor's name — as well as valuable general information about Virginia Commonwealth University. **This Schedule of Classes is accurate as of March 6, 2001.** The information is subject to change — please check the Web for updates.

--- www.vcu.edu/schedule

The Schedule of Classes does not include all the information you need to access the university. Please be sure that you have a copy of each of the following documents:

- University bulletins — VCU publishes two bulletins. The bulletins include essential information not included in this schedule — academic policies, descriptions of all current VCU courses, prerequisites and information about program and degree requirements. Obtain a copy of the Undergraduate and Professional Programs Bulletin by presenting your VCU Card to one of the student services centers or purchase the bulletins for \$3.50 from one of VCU's bookstores. The bulletins also are available on the Web.
--- www.vcu.edu/bulletins
- VCU Resource Guide — This directory of services also includes the complete texts of the VCU policies and procedures that directly affect students. The Resource Guide is updated annually. Pick up a copy of this year's edition from the Commons Information Center or the administrative offices of the Division of Student Affairs.

The Resource Guide, including all policies, also is available on the Web.

Telephone registration (804) 828-1495

Telephone registration will be available during the following hours:

Mon – Thu	8 a.m. – 7:30 p.m.
Fri	8 a.m. – 5 p.m.
Sat	9 a.m. – 1 p.m.

Classification time table

Students may call on or after the date indicated.

Graduate students	Apr 2
Post-baccalaureate certificate students	Apr 4
Seniors	Apr 4
Juniors	Apr 9
Sophomores	Apr 16
Freshmen	Apr 23
Special students (nondegree-seeking)	Apr 30

Advising

Advising is an integral and important part of the registration process. All students are encouraged to speak with an adviser prior to registration.

Continuing degree-seeking students are assigned advisers by their schools and departments. A directory of deans and department chairs is included in this publication. See pages 84-85.

All first-year students in the College of Humanities and Sciences, except psychology majors, are advised through the Office of Academic Advising, (804) 828-2333. Undeclared students continue to be advised through this office. When they declare a major, their records are transferred to the appropriate department. Bachelor of Interdisciplinary Studies students are advised through the College of Humanities and Sciences' Interdisciplinary Studies Office at 310 N. Shafer St., (804) 828-8420.

Special nondegree-seeking students and prospective adult students are advised through the College of Humanities and Sciences' Interdisciplinary Studies Office at 310 N. Shafer St., (804) 828-8420.

Telephone registration

Continuing students

Telephone registration is available for continuing students.

Continuing degree-seeking students are those who have applied, been accepted to VCU and are enrolled in at least one VCU class during fall 2000, spring 2001 or summer 2001.

Continuing special students are those who are on VCU's Student Information System and have taken a class in any previous semester.

New students

New special students may come to the Student Services Center to be entered into the student information system. They then may register in-person at the center or use the telephone registration system.

Overrides

Override cards are processed at the Student Services Center, 827 W. Franklin St., during normal working hours. Cards must be completed and signed before they are presented. Cards also will be processed at the Commons during In-person Registration.

Add/drop and late registration

Students registered for classes may make adjustments to their schedules during the first week of school (commonly called the add/drop period). The add/drop period for fall 2001 ends on Friday, Aug. 31. After the first week, students may only withdraw from classes. This adjustment may or may not have a financial impact on the student bill.

Students may use the telephone registration system to adjust their schedules during the add/drop period. The phone number for the system is (804) 828-1495. A telephone registration worksheet is printed in this schedule on Page 4.

Students not yet registered may late register during the first week of classes.

Cancellation of registration

Any student who has registered but has decided not to attend should cancel his/her registration by submitting written notification to:

Virginia Commonwealth University
Office of Records and Registration
827 W. Franklin St.
P.O. Box 842520
Richmond, VA 23284-2520

Students also may use the telephone registration system through Aug. 31 to drop all their courses. Written notification of cancellation must be postmarked no later than Aug. 31. Failure to drop courses by the deadline could result in failing grades as well as assessment of tuition and fees.

Registration for audit

An audited course is counted as part of a student's course load. Students who audit pay regular tuition and fees, are subject to attendance regulations and may be subject to other course requirements. Students may reg-

ister for audit only during the add/drop/late registration period of the semester in which they are registering. Changes from credit to audit are not allowed during the add/drop/late registration period.

Withdrawal

Students may withdraw from a course using the telephone system. The code for withdrawal is "1." Do not use "W." Students also may withdraw in person at a student services center (Founders Hall or Sanger Hall). The last day to withdraw with a mark of "W" for fall 2001 is Oct. 19. Withdrawal does not eliminate financial responsibility for the class(es). Students who withdraw from a course may or may not be entitled to a refund. Refer to Refund Policy (Page 5) for details.

Individual student schedules

To ensure that your schedule is accurate and up-to-date, schedules are no longer being mailed, but can be obtained from the kiosks located in Founders Hall, Sanger Hall, University Student Commons and the Business Building lobby, at the Student Services Centers in Founders and Sanger halls or on VCU's Web site. --- www.atsreports.adm.vcu.edu/students

You also may request a schedule by calling (804) 828-1349 and leaving a detailed address and telephone number. The building codes, printed on Page 11, are used on these schedules.

Registration planning

After consultation with your adviser about curriculum requirements, refer to the back cover of this Schedule of Classes for a worksheet to assist you in planning your schedule.

Telephone registration

Welcome to VCU's touch-tone registration system. Students may register using this system. A touch-tone phone with pound (#) and star (*) keys is required.

Steps in telephone registration

The Repeat Course Option is no longer available over the telephone. Please come to the Student Services Center after you have completed the course and fill out a Historical Repeat Course form to have the repeat courses excluded from your GPA. The repeat course option can only be used once per course and only for grades of "D" or "F."

1. Complete the Telephone Registration Worksheet on this page before attempting phone registration.
2. Call (804) 828-1495 to register for classes, being careful to follow all five steps listed on the worksheet.
3. Listen for the computer to confirm or deny your registration request.
 - If the request passes all checks, the computer will indicate that the course has been added or dropped and ask for the next request.
 - If the course is canceled or closed, you will be told and asked to enter your alternate registration request.
 - **Time conflicts.** Students who enroll in classes that have overlapping meeting times will have to come to the Student Services Center to withdraw or drop the course. The telephone registration system will not allow you to withdraw or drop a class with a time conflict.
 - If the request does not pass checks, the computer might indicate one of these problems:

Class restriction. Some courses have school, class, major or level restrictions. The department offering the courses must approve exceptions to these restrictions using an Override Permission Form. All overrides must be done in person at the Student Services Center or during In-person Registration in the University Student Commons.

Unauthorized overload. Undergraduate students may register for up to 19 credit hours by telephone. To exceed that limit, written permission from your dean's office is required.

Graduate students may register for up to 15 credit hours by telephone. To exceed that limit, a Special Action Form from the School of Graduate Studies is required.

Special undergraduate students may register for up to 11 credit hours by telephone. To exceed that limit, a waiver from the Academic Regulations Appeals Committee is required.

Students on academic probation may register for up to 12 credit hours by telephone. To exceed that limit, a waiver from the Academic Regulations Appeals Committee is required.

Credits beyond the number allowed must be added at the Student Services Center after permission has been granted. To appeal to the Academic Regulations Appeals Committee, contact the assistant dean in your school; special students should contact Sue Munro in the Office of Community Programs, (804) 828-8420.

Hold on student record. Students must take steps to remove the holds before registration can occur. The system allows students to drop and withdraw from a class regardless of any holds, or you can be transferred to Records and Registration for assistance. Holds that prevent registration include the following.

Financial hold. Student Accounting and Treasury Services place this hold. Other departments such as Athletics, VCU Libraries and

Telecommunications also may place holds for athletic gear and library books that have not been returned and long distance telephone calls that have not been paid. A hold must be removed by the department who placed it. Contact Student Accounting, (804) 828-2228, to learn how to clear your account.

Address hold. Records and Registration places this hold and it will be removed as soon as you provide them with an updated address. This update must be done in person at the Student Services Center in Founders Hall.

Immunization hold. University Student Health Services places this hold when your immunization record is incomplete. For infor-

mation, call (804) 828-8828 and ask to speak to the immunization coordinator.

Suspension hold. The university places this hold when you have been suspended for academic deficiency. You may not register until the suspension period has passed and you are readmitted to the university.

Administrative holds. The Office of Records and Registration may place other holds on your record at the request of departments, deans or other administrators.

Remember that the computer system monitors deadlines and will not let you add, drop or withdraw except at the proper times. If you get confused, or if you lose your place, get a list of your classes by pressing "5" and the # sign.

Financial information

Tuition and fees

The Student Accounting Department issues bills to students for tuition and appropriate fees. Preregistered students' tuition and fees, along with charges for room and board where applicable, are due approximately one week before the start of the semester. All other students will be sent a bill at the end of the add/drop period due approximately two weeks later. The university reserves the right to revise or alter all fees, regulations pertaining to student fees and fee collection procedures at any time.

Tuition is determined by both the student's residency classification and classification as a full- or part-time student. Eligibility for in-state tuition benefits is determined by Section 23-7.4 of the Code of Virginia. Students seeking to change their residency status from out-of-state to in-state for tuition charges should go to the Residency Office of VCU Records and Registration and formally apply for a change. The residency application deadline is 30 days prior to the beginning of the semester for which you are applying. For further information on residency determination, call (804) 828-0366.

Students registered for a full-time course load are charged a flat rate for tuition and fees. An undergraduate student enrolled for 12 to 18 credits during any semester is classified as full time. A graduate student enrolled for nine to 15 credits during any semester is classified as full time. Students registered for less than a full-time course load are charged a per-credit-hour rate based on the course level; e.g., undergraduate or graduate.

The rate for "no credit" courses is determined by the number of lecture or laboratory-tutorial hours.

An undergraduate student enrolled for more than 18 credits and a graduate student enrolled for more than 15 credits will be charged a course overload fee on a per-credit-hour basis above the full-time tuition rate. The overload fee will not apply to students in first professional programs or other programs that specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.

Many students have their tuition and/or fees paid by outside agencies or businesses. The university will accept a letter from the agency/business stating that these charges are unconditionally guaranteed. This letter should be submitted to the Student Accounting Department prior to the start of classes. Students may charge their tuition and fees to Visa, MasterCard or Discover Card.

Fees

Student activity fee — is charged to all full-time and part-time Academic Campus students. This fee supports activities scheduled throughout the academic year, such as concerts, plays, student organizations and publications.

Student government association (SGA) fee — is charged to all full-time and part-time Medical College of Virginia Campus students. This fee supports social, cultural and other MCV Campus activities.

University fee — is charged to all full-time and part-time students. Full-time students pay a flat rate. Part-time students pay a per-credit-hour rate. This fee is used by the university to support recreational sports facilities, the University Student Commons, campus development, intercollegiate athletics and other programs.

Technology fee — is charged to all full-time and part-time undergraduate, graduate and professional students in all programs. This fee is used to support university-wide technology initiatives, including the libraries.

Student health fee — is charged to all full-time students on both campuses. Part-time students may participate on an optional basis but must pay the full fee. The health fee covers unlimited visits to University Student Health Services for the diagnosis and treatment of acute

and chronic illnesses. The student health fee does not cover accidental injury and hospitalization. Fee revenues are used to cover operating costs for University Student Health Services.

Drop vs. withdraw

Drop — charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid, and any financial aid already credited to the student's account based on the original course registration will be removed from the student's account and may create a balance due to the university.

Withdraw — results in the academic grade of "W." Charges are assessed and adjusted according to the University Refund Policy. Students may owe a balance to the university.

Refund policy

The official university tuition and fees refund policy, applicable only for the fall and spring semesters (excluding short courses), is outlined in the table that follows. Refunds are calculated on a course-by-course basis, disregarding the full-time cap amounts. Students who are enrolled in the maximum number of credit hours and withdraw to part-time enrollment and students who are in an overload status and withdraw to the full-time credit hour maximum may not receive a refund.

Withdrawal/ drop period	Student refund	Retained by university
Drop/withdraw prior to and during the first week of class	100% tuition and fees	0%
Withdraw second week of class	80% tuition and university fee	20% tuition and university fee
Withdraw third week of class	60% tuition and university fee	40% tuition and university fee
Withdraw fourth week of class	40% tuition and university fee	60% tuition and university fee
Withdraw after fourth week of class	0%	100% all fees

This table pertains to both complete withdrawals and reduced course loads for fall and spring semesters only.

Students in off-campus classes are subject to the same refund policy as all other university students if the class is scheduled on the regular semester schedule. If the off-campus class is shorter or longer than the academic semester, the refund dates are adjusted accordingly at the request of Off-campus Programs, Division of University Outreach.

The refund policy and deadlines of the English Language Program are different from the university's refund policy for academic classes. Details of the policy may be obtained from the English Language Program Office in the Center for International Programs.

A full refund for Holiday Intersession will be granted if the course is dropped before 4:30 p.m. on the day of the first class meeting. Partial refunds are not granted.

A full refund of tuition and applicable fees for short courses will be granted if the course is dropped no later than the day following the first day of a given class. (This deadline also is applicable if the class does not meet on two consecutive days.) Students reducing their academic course load to fewer than full time (12 credits for undergraduates and nine credits for graduates) before the end of the last day to drop a course will be entitled to a refund of tuition and applicable fees reflecting the reduced course load. Partial refunds are not granted for short courses.

Students who are financial aid recipients and withdraw from all courses before completing 60 percent of the semester must have their eligibility recalculated based on the Federal Return of Title IV Funds formula. They will have to pay all or a portion of the financial aid funds that were disbursed to their VCU account.

Refunds will be computed based on the actual withdrawal date certified by the Office of Records and Registration in the Division of University Outreach.

Refunds will not be made to students who do not attend classes and have not completed the required withdrawal procedure. Refund processing may take approximately two weeks. Exceptions to this refund policy are made only in rare instances. Written application for an exception must be filed with the Student Accounting Department's Refund Appeals Committee.

Students will not be entitled to a refund of room fees:

- if they are suspended from the residence halls for disciplinary reasons,
- if they voluntarily withdraw from the university residence halls but remained registered for any course(s) at the university unless clearance is granted through the Office of the Dean of Student Affairs, or
- unless they have completed the withdrawal procedures through the Housing Office.

A refund of the board plan charges will be made if:

- the cancellation occurs prior to the first official board plan day of the year provided the dining services coordinator has been given written notification. A full refund of the board plan charges will be made at this time. If the cancellation occurs throughout the semester, refunds will be granted on a daily proration.

Refer to the Room and Board Contract Terms and Conditions for additional information.

Requests for refunds of overpayment may be made in writing to VCU Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036. Refund request forms are available at the student services centers, 827 W. Franklin St., Room 104 and 1101 E. Marshall St., Room 1-055. In accordance with credit card regulations, the university will refund the credit card account with any credit balance that may result on a student's account as the outcome of a credit card payment. The remaining credit balance, if any, will be refunded to the student.

Financial aid implications

Based on regulatory changes recently passed by Congress, students who receive Title IV financial aid funds (grants, loans or work-study) may be required to repay all or a portion of the financial aid that was disbursed to their student account if they withdraw from VCU prior to completing 60 percent of the semester. For examples, see page 8. For details on how this requirement applies to your situation, please contact a counselor in the Office of Financial Aid at 901 W. Franklin St. (Shafer Court entrance) or call (804) 828-6669.

Defense crisis tuition relief, refund and reinstatement guidelines

These guidelines apply to any operation, including a defense crisis, in which the president of the United States declares a sudden mobilization that includes members of the Virginia National Guard or the active or reserve forces of the U.S. Armed Forces who are students enrolled at VCU. Students are offered the following enrollment secession options:

1. Drop all courses before the end of the add/drop period and receive a full refund of all funds paid the university. Students will be asked to sign the drop request form with the registrar indicating that they are not receiving a financial aid refund.

This option might best meet the needs of students who are called to active duty service during the first week of school and did not receive a financial aid refund check or direct deposit.

2. Receive a grade of incomplete ("IM" – incomplete military) in one or all courses. Students residing in university housing will be released from their housing and meal contracts and will receive a prorated refund of these charges. Students who choose to take a grade of "IM" will not have tuition and fees reduced for these courses because credits will still be earned for the semester. Students will have 12 months from the date that they leave the university to complete the course work and earn a course grade.

This option might best meet the needs of students who have essentially completed all course work in a class for the semester, but have yet to turn in a final project, an exam or other materials. It should be agreed upon between the instructor and the student that the remaining course work can reasonably be completed during the upcoming 12-month period.

3. Accept administrative withdrawal ("WM" – withdrawal military) from one or all courses as of the effective date of the orders to active duty. If this option is elected, a full refund of all tuition, fees and prorated room/board charges will be made for the courses that the "WM" is elected. If a student received financial aid, the amount recovered to the financial aid accounts will follow Title IV guidelines not to exceed university charges.

This option might best meet the needs of students who are called to national service in the middle of a semester and have not completed 90 percent of their class requirements. This option also might best meet the needs of students who are leaving the university during the first week of class and received a financial aid refund check or direct deposit as a result of their financial aid.

Leaving the university. To initiate this process, the student must provide the university registrar with a copy of his/her active duty orders in addition to a printed copy of his/her course registration for that semester and indicate Option 1, 2 or 3 for each course. The university registrar will take the appropriate enrollment action, post the appropriate grades and send a copy of the orders and a copy of the student course request statement to the director of financial aid and the manager of student accounting.

Returning to the university. If the student returns within one year of completing their national emergency service requirement, the student may return to the university in the same program of studies without re-applying for admission. The student should begin the re-enrollment process by writing the director of admissions regarding their intent to re-enroll.

Statement of student financial responsibility

Every student is responsible for keeping a current mailing address on file with the Office of Records and Registration.

A student who fails to meet payments when due may be assessed a late payment fee and is denied registration for future classes until he or she has paid all amounts owed to the university.

Student accounts with balances owed the university are referred to the Collection Unit. Pursuant to Section 2.1-732 et. seq., of the Code of Virginia, and in accordance with rules and regulations promulgated by the state comptroller and attorney general of the commonwealth of Virginia, VCU will charge interest, costs and fees on all accounts past due. Students with balances owed the university are not issued degrees, transcripts, grades or grade reports, until all charges are paid in full.

Students are reminded that they are ultimately responsible for any unpaid balance on their account as a result of the Financial Aid Office or their sponsor canceling or reducing the award.

Any communication disputing an amount owed, including an instrument tendered as full satisfaction of a debt, must be submitted to the Director of Student Accounting, Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036.

VCU participates in the Virginia Set-off Debt Collection Act of 1981. Under the provisions of this act, a Virginia individual income tax refund is subject to the university's claim for unpaid balances of tuition and fees.

Dishonored checks

A fee of \$20 will be levied for all dishonored checks.

Student Accounting and Financial Aid Voice Response System

Welcome to the VCU Student Accounting/Financial Aid Voice Response System. Students may access information pertaining to their student account and financial aid awards. A touch-tone phone is required.

Step 1:

Using a touch-tone telephone, call (804) 828-4927

Step 2:

After the computer's instruction, using the telephone keypad, provide the following information:

- Your Social Security Number
- Your 4-Digit PIN

Initially, your PIN is the month and day of your birth; for example, January 2 = 0102. You will not be able to use this system if your PIN has not been changed from your month and day of birth. To change your PIN, please visit the Student Services Center in Founders Hall.

- The Calendar Year (last two digits), for example, 2000 = 00 and 2001 = 01
- A Semester Code (1=Spring, 2=Summer, 3=Fall)

Step 3:

Enter your Service Request Code from the following options:

- 1 = Financial Aid Award Information
- 2 = Student Accounting Information
- 9 = Exit

Step 4:

For Financial Aid Award Information (Item 1 in Step 3):

- 1 = Financial Aid Awards Paid — Detail Listing
- 2 = Financial Aid Awards Not Paid — Detail Listing
- 3 = Financial Aid Award Summary
- 4 = Financial Aid Holds
- 6 = Switch to Student Accounting Information
- 7 = Choose a Different Term
- 8 = Repeat of the Service Request Codes
- 9 = Exit
- 0 = Speak with a Financial Aid Representative

For Student Accounting Information (Item 2 in Step 3)

Financial Aid

Financial implications if you withdraw from VCU

Students who receive Federal Title IV grant or loan assistance and withdraw from VCU before completing 60 percent of the semester (as measured in calendar days), must have their eligibility recalculated based on the Federal Return of Title IV Funds formula. This federal formula specifies that a student's financial aid eligibility must be recalculated based on the aid the student has "earned" (based on the number of days that the student was enrolled or attending VCU prior to withdrawal). Any unearned aid for the period of enrollment that the student did not complete must be returned to the appropriate Title IV programs from which the student was awarded.

For VCU students who withdraw prior to completing 60 percent of the semester, they will have to pay all or a portion of the financial aid funds that were disbursed to their VCU account, and may be responsible for all or a portion of their tuition/fee charges that were previously paid by financial aid sources.

Example 1: Sally Student is a full-time, in-state, College of Humanities and Sciences undergraduate student at VCU. For the program that Sally is enrolled in, VCU's fall 2001 start date (first day of classes) is Aug. 27, 2001, and the fall 2001 end date is Dec. 18, 2001. Sally's tuition/fee charges and financial aid for the fall semester are as follows:

VCU charges	Fall 2001		Date disbursed
Fall tuition/fees	\$1,825		
Financial aid funding			
Federal Pell Grant	\$1,650		Aug 27, 2001
Federal SEOG Grant	\$750		Aug 27, 2001
Federal Perkins Loan	\$1,000		Aug 31, 2001
Federal Work-Study	\$1,500		
Virginia State Grant	\$1,100		Aug 27, 2001
Total financial aid	\$6,000		

Financial aid of \$4,500 was disbursed to her student account paying tuition/fee charges of \$1,825 and resulting in a refund of \$2,675 directly deposited to her bank account on Aug. 31, 2001 to help her pay for rent, food, books and supplies for the fall 2001 semester.

In September, Sally missed two weeks of classes because of an illness. She returned to classes on Sept. 18, but decided after two days that she was too far behind in her course work to catch up with classes. On Sept. 20, she notified the registrar that she was withdrawing and began the official withdrawal process. Since Sally withdrew on Sept. 20, 2001, she only completed 21.9 percent of the semester.

Based on Sally's withdrawal date, VCU must cancel \$1,000 Perkins loan, \$1,038 in Pell Grant, and \$3 of Federal SEOG grant funds. These funds will be returned to the federal government on Sally's behalf. This action will create charges of \$2,041 on Sally's account; however, because she withdrew from all classes during the fourth week, the tuition/fees of \$1,825 would be reduced to \$1,146.60 (a savings of \$678.40). The result is that Sally must pay \$1,362.60 that was previously paid by financial aid funds.

Sally will have to repay VCU \$1,362.60.

Example 2: Steve Student is a full-time, in-state freshman. For the program that Steve is enrolled in, VCU's fall 2001 start date (first day of classes) is Aug. 27, 2001, and the fall 2001 end date is Dec. 18, 2001. Steve's tuition/fee charges and financial aid for the fall semester are as follows:

VCU charges	Fall 2001		Date disbursed
Fall tuition/fees	\$1,825		
Fall room/board	\$2,397		
Total VCU charges	\$4,222		
Financial aid funding			
Federal Direct Stafford Loan	\$1,265		Aug 24, 2001
Federal PLUS Parent Loan	\$2,800		Aug 27, 2001
Total financial aid	\$4,065		

Financial aid funds of \$4,065 were disbursed toward his student account charges of \$4,222, and Steve paid the remaining balance of \$157 using his credit card.

Sometime during the semester Steve stopped attending classes, but he did not notify anyone that he was withdrawing from school. He simply left the university. At the end of the semester his instructors reported grades of all "F"s since he had not completed his course work. Steve's last day of attendance is not known to VCU since he did not officially withdraw; therefore, the midpoint of the semester is used as the last date of attendance for Title IV funding purposes. Therefore, Steve only earned 50 percent of the financial aid that he had originally received for the fall semester.

Based on 50 percent completion, VCU must cancel the entire Federal Student Stafford Loan of \$1,265 and must cancel \$846 of the Parent's PLUS Loan. These

funds will be returned to the federal government on the borrower's behalf. This action will create charges of \$2,111 on Steve's account.

Since Steve did not officially withdraw from VCU there is no tuition/fee adjustment. Because of the reduction of financial aid required by the federal Return of Title IV Funds formula, Steve must pay \$2,111 that was previously paid by financial aid funds. Steve will have to pay VCU \$2,111.

Financial aid update

If you anticipate enrolling for summer 2002 and are receiving financial aid during the regular school year, please think about your budget now.

Federal Direct Student Stafford loans are limited by your grade level and dependency status to the following annual and lifetime loan limits:

	Dependent (as defined by the FAFSA)		Independent (as defined by the FAFSA)	
	Annual Maximum Loan Amount	Total Lifetime Loan Limit	Annual Maximum Loan Amount	Total Lifetime Loan Limit
Freshmen (less than 24 earned hours)	\$2,625	\$23,000	\$6,625	\$46,000
Sophomore (24 to 53.9 earned hours)	3,500	23,000	7,500	46,000
Junior/Senior (54 or more earned hours)	5,500	23,000	10,500	46,000
Graduate			18,500	138,500
Professional – Medical/Dental			38,500	189,125
Professional – Pharmacy			31,000	189,125
Professional – Health Administration			31,000	189,125
Professional – all other			18,500	138,500

The more Federal Direct Student Loan funds you borrow during fall 2001 – spring 2002, the fewer loan funds you will have available for summer 2002.

Example 1: If a dependent junior/senior student plans to study and/or travel via Study Abroad for summer 2002 here are two possible budgeting alternatives for covering the summer 2002 expenses:

	Federal Direct Loan	Federal Direct Loan	Federal Direct Loan	Private Alternative Loan
	Fall 2001	Spring 2002	Summer 2002	Summer 2002
Alternative 1 — Junior/Senior	\$2,750	\$2,750	\$0	\$4,000
Alternative 2 — Junior/Senior	2,000	2,000	1,500	2,500

If you budget your loan funds and set aside \$1,500 (as done in the Alternative 2 above), you may still need to borrow additional private alternative loans during the summer 2002 semester, but the amount of your private alternative loan would be less than you would otherwise need to borrow. Private alternative loans generally require a clean credit history and/or a credit-worthy co-signer. Private alternative loans will accrue interest while you are in school, but many times, payments can be deferred until after you have completed your educational program at VCU — please contact the private alternative lenders for further details.

Example 2: If a dependent freshman student borrows the maximum loan amount of \$2,625 during fall/spring 2001-02, and completes/earns at least 24 credit hours by the end of the spring 2002 semester, the student will be a sophomore for summer 2002. As a sophomore, the student may borrow up to \$3,500 annually, so the student could borrow the remaining \$875 Federal Direct Loan eligibility for summer 2002 (\$3,500 – \$2,625 = \$875).

Federal Direct Loan Fall 2001 (freshman status)	Federal Direct Loan Spring 2002 (freshman status)	Federal Direct Loan Summer 2002 (sophomore status)	Total Annual Loan Amount
\$1,313	\$1,312	\$875	\$3,500

Academic rules and definitions

Eligibility to enroll

Undergraduates

All students enrolled for credit as degree-seeking or special (nondegree-seeking) students must demonstrate their eligibility. Students dismissed from other institutions for academic deficiency may not enroll in classes at VCU. This policy may be waived for students who have not been in attendance at the dismissing institution for at least one year.

A student may enroll in undergraduate classes if he/she:

- is currently enrolled or admitted to a degree program and is eligible to continue at VCU,
- is a high school graduate or GED holder who has been out of school for at least one year,
- is a transfer student who is eligible to return to the former institution or has been out of school for at least one year,
- is a former VCU student who is eligible to return,
- is a degree holder taking undergraduate courses, or
- is an eligible transient student.

A student who has not been out of high school a full calendar year must meet the undergraduate degree admission standards to study as a special (nondegree-seeking) student.

Graduate students

Degree-seeking graduate students. For information about admission to graduate programs, students should consult the VCU Graduate Bulletin or contact School of Graduate Studies, 901 W. Franklin St., Room B1A, (804) 828-6916, or 1101 E. Marshall St., Room 1-024, (804) 828-0732. Written inquiries should be addressed to P.O. Box 980568, Richmond, VA 23298-0568.

New students not admitted to a VCU graduate program, but who hold baccalaureate degrees, may enroll as nondegree-seeking students but must complete Residency and Certification of Eligibility forms. Students should be prepared to document that they meet the course requirements (according to the VCU Graduate Bulletin) and should understand that they may be removed from the courses if they do not qualify.

Before enrolling in the graduate courses, students should be advised properly by the offering academic department. In the School of Business, credit for courses will not apply to a VCU graduate degree in business unless the student has been admitted previously to a degree program.

Questions concerning graduate school standards should be addressed to:

Senior Citizen Tuition Waiver

The Senior Citizen Higher Education Act of 1974 provides that any legal resident of the state who before the beginning of any semester or semesters in which he or she claims benefits of the act, and who has had legal domicile in the state for one year may, without paying tuition, register for and enroll in courses under the conditions outlined in the act as amended in 1982 and 1986.

The tuition-free policy shall apply except that the senior citizen shall be subject to fees established for the purpose of paying for course materials, such as laboratory fees, individualized music instructions, etc.

Senior citizens not enrolled for academic credit may not register for more than three courses in any one semester but may register each semester. The Senior Citizens Act benefits shall be available to persons 60

years of age or older with the following legally mandated provisions:

1. The senior citizen shall be subject to admission requirements of the institution.
2. The institution shall determine whether or not it has the ability to offer the course or courses.
3. If the senior citizen has a federal taxable income of not more than \$10,000 during the preceding year, the individual may take a course for academic credit at no charge. If the person's taxable income exceeded \$10,000, the individual may only audit the course at no charge. A senior citizen, regardless of income level, may take a noncredit course at no charge.
4. The senior citizen shall be admitted to a course after all tuition-paying students have been accommodated. Senior citizens wishing to avail themselves of the opportunity to study at VCU should call (804) 828-1222 or the Office of Community Programs, (804) 828-1831.
5. A Senior Citizen Tuition Waiver form must be submitted to the Student Accounting Department for each applicable semester. Forms are available at the student services centers on both campuses.

Terms of continuance

Satisfactory progress

In order to be making satisfactory progress, a student must maintain a minimum cumulative grade point average of 2.0 ("C" average) on all work attempted at this university. Any student making satisfactory progress is eligible to return to the university the following semester and may enroll for a normal class load of course work. Eligibility for financial aid may be impacted by academic progress.

Academic warning

A student is placed on academic warning when the cumulative grade point average falls below 2.0 (or "C") at the conclusion of any semester of attendance (fall, spring, summer). Such notification will appear on the student's grade report. A student remains on academic warning for one semester (fall, spring, summer) of attendance at the end of which time the student either obtains a cumulative GPA of at least 2.0 or is placed on academic probation.

Academic probation

A student is placed on academic probation when the cumulative GPA is below 2.0 (or "C") for two successive semesters of attendance. Such notification will appear on the student's grade report. A student on academic probation may not enroll for more than 12 credits per semester of attendance. Students on academic probation are expected to improve their cumulative GPA by achieving a semester GPA of 2.0 or better during each semester of attendance (fall, spring, summer). Failure to do so results in academic suspension. A student will be removed from academic probation when a cumulative GPA of at least 2.0 is obtained.

Academic suspension

A student is placed on academic suspension when the cumulative GPA is below 2.0 (or "C") for two successive semesters of attendance and the following semester GPA is below 2.0 for any semester, including the summer session. Notification of suspension will appear on the student's grade report; the student also receives a certified letter from Records and Registration stating the conditions of the suspension, and a notification of suspension is placed on the student's permanent record. Academic suspension indicates that the student has a record of continued unsatisfactory progress.

A student on academic suspension may not enroll at the university for two consecutive semesters, including summer session (fall and spring, spring and summer, or summer and fall). Course work taken at another institution while the student is under academic suspension from VCU will be considered as part of the criteria for re-admission, but the course work may not be used to increase the VCU grade point average. If the student is re-admitted, the course work will be evaluated according to regular procedures.

A student may apply for re-admission to VCU for the semester following completion of the suspension period. A student re-admitted after suspension enrolls under the status of academic probation and is subject to the provisions of that status. If a student re-admitted after suspension fails to obtain a semester GPA of at least 2.0, the student will receive a second and final suspension. Under certain circumstances, the student may be considered for re-admission after a period of separation of a minimum of five years.

Repeated courses

If a student repeats a course in which a "D" or "F" was earned on the first attempt, the student may request that only the better grade be counted in computing his or her cumulative GPA. The removed grade will still appear on the student's academic record but will not influence his or her GPA. An Historical Repeat Form must be submitted to the Student Services Center in order to request the repeat course option.

If more than one "D" or "F" grade is received in the same course, only one of these grades will be removed from computation. The grades for all attempts will continue to be recorded on the student's permanent record. The student may not repeat courses for which he or she has previously received transfer credit. A repeated course may be counted only once as credits earned for graduation. This option is not available for graduate courses.

Re-admission policy

Undergraduate degree-seeking students on the Academic Campus may sit out for three semesters (including summer) and enroll in the fourth semester without having to apply for re-admission to the university provided they have not attended another college or university since last attending VCU, and provided they have not been suspended from VCU and are eligible to return.

An undergraduate degree-seeking student who does not attend VCU for four or more semesters (including summer) must submit an application for re-admission to the Office of Undergraduate Admissions. A re-admission applicant must meet the university's admission guidelines as well as any specific requirement for the major to which he/she is applying.

A student wishing to return to VCU after attending another institution will be considered as a transfer applicant and will be reviewed based on transfer admissions guidelines.

Student progress

Students are encouraged to discuss progress in courses with their instructors at any time. Instructors will endeavor to provide some form of evaluation of students' academic achievement throughout the duration of the course.

Degree-seeking students are encouraged to work closely with their advisers as they progress through an academic program. If you are a degree-seeking student and do not know who your adviser is, call your department or school. See the directory of deans, directors and department chairs on pages 84-85.

Change of major

Students who wish to change their majors must file a Change of Major form. These forms are available from the Student Services Center in Founders Hall, Room 104.

The change of major becomes official after the Office of Records and Registration has received the form signed by the dean or chair of the appropriate school or department. Students are encouraged to have changes to the Office of Records and Registration prior to the first week of classes in order for the school/department to return approved changes by the end of the add/drop period. A change of major will not occur for the current semester after the add/drop period.

Before initiating a change of major, students should carefully review the requirements and prerequisites of the program they wish to enter. In certain programs — including those in the schools of the Arts, Business, Education, Mass Communications and nontraditional studies — a candidate must fulfill additional requirements before being accepted as a degree-seeking student.

Students currently enrolled in an MCV Campus program who wish to change to a curriculum on the Academic Campus must file a Change of Major form. Such students are subject to the continuance policy of

the Academic Campus after the major has been changed. Students currently enrolled in an MCV Campus program who wish to change to another MCV Campus curriculum must go through the admission process outlined in the Undergraduate and Professional Programs Bulletin.

Credits previously earned at VCU or at another university may or may not be applicable to the new major.

Financial aid academic requirements

For students who are receiving financial aid, please be aware that all students are required to make Reasonable Academic Progress (RAP) toward their degree. These RAP standards are based on regulatory requirements that must be met in order to continue receiving federal or state financial aid funds. At a minimum, all undergraduate students must earn at least a 1.00 GPA by the end of their first academic year and must maintain at least a

2.00 GPA by the end of their second academic year. Graduate students are expected to earn and maintain at least a 3.00 GPA. All students must complete and earn at least 67 percent of the course work attempted (remember attempted credits also include "W" withdrawals, "I" incompletes, repeated courses, "CO" continuing grades and all "F" grades), and students must complete their degree before attempting more than 150 percent of the credits necessary for their degree. For details on these financial aid requirements or procedures on how to appeal a financial aid suspension, please visit our Web site.

Reading the codes

All courses offered on campus for this semester are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700 and 800 series courses are graduate-level courses.

Students usually must have a bachelor's degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students' advisers may take some 500-level courses.

Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

Section numbers

The beginning letter or number indicates whether a course is a honors, a variable credit, an evening, laboratory or intercession course.

- 7XX = honors
- 8XX = variable credit (MCV Campus only)
- 9XX = evening
- LXX = laboratory
- CXX = off campus
- VXX = intercession

Day codes

The following symbols are used for the days of the week:

- U = Sunday
- W = Wednesday
- S = Saturday
- M = Monday
- R = Thursday
- TBA = To be announced
- T = Tuesday
- F = Friday

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

Comments/restrictions

Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that you are not eligible to take. Note the message that a fee is required for a particular course. (The fee table lists the fees for the courses with the fee required message.) For example:

CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3)
 16542 001 STAFF M 0100PM 0545PM PLLAK 0221A
 FEE REQUIRED - SEE FEE TABLE IN FRONT OF BOOK

Many sections have major, school and classification restrictions placed on them by the department offering the course. Any restriction for a section is listed directly below that section's listing. Enrollment in restricted courses is limited. For example:

CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3)
 16542 001 STAFF M 0100PM 0545PM PLLAK 0221A

VCU Honor System

Congratulations on your enrollment at Virginia Commonwealth University. You are a member of a community of learning at VCU. All members of this unique community, including faculty, students and administrators, have agreed to act with honor and integrity in all matters. As a student at VCU, you will be expected to practice personal and academic integrity; respect the rights and property of others; honor the rights of others to their opinions, and strive to learn from the differences in people, ideas and cultures.

In the academic community, the practice of academic integrity is of the highest priority. The honor system obligates each student to understand the types of conduct that are unacceptable, to refrain from acts of cheating and plagiarism, and to report those who violate these standards. The honor system assumes that each student's word can be trusted implicitly and that a violation of a student's word is a violation against the whole university community. The system's effectiveness depends upon each student's acceptance of responsibility for it. For example, a student who cheats creates at least three problems for self and others: loss of knowledge that may be beneficial in the future; an unfair advantage over classmates who have not cheated; and the possibility of forming a pattern of accepting lower standards of behavior that could lead to unethical conduct in other areas.

Your attention is directed to the VCU Honor System as printed in the VCU Resource Guide. You should be certain to obtain a copy of this publication, which is available from several distribution points on the campus, including the Commons and the e² Bookstore. Many of your professors will be discussing this policy and describing their expectations for your behavior in classes at the first class session.

The Honor System utilizes the Honor Pledge, which states, "On my honor, I have neither given nor received aid on this assignment." Instructors may give assignments to students in one of two ways: (1) as "Pledged" work, for which the student will sign a pledge statement indicating that the work was completed independently, or (2) as "Unpledged" work, which may be completed in collaboration with others as directed by the instructor. All work is considered to be pledged unless the instructor specifies otherwise.

It is your responsibility to be aware of, and to observe, the VCU Honor System and all of the policies and regulations at VCU. If you have a question about a policy, please feel free to call or stop by the office of the dean of student affairs, consult with your faculty adviser or ask to see someone in the office of the dean of your school or college.

Chemistry

All chemistry classes, including laboratories and recitation sections, meet from the first day of classes. Students enrolled in chemistry classes must attend the first scheduled class. Students on the class roll who do not attend may be dropped and replaced with students waiting to add the class.

Mathematics

Any student requiring a mathematics course before enrolling in a calculus, statistics or computer science course should note the following: if you have not taken the mathematics placement test and have not taken the prerequisite course for the course you need, take the mathematics placement test before enrolling in mathematical sciences courses. With the advent of new general education requirements in all schools within the university, the 100- and 200-level mathematical sciences courses have been revised. Make sure you know which of these courses are recommended for your major. Both the Department of Mathematical Sciences and your adviser can help you with the possible choices. For those preparing for, and not placing into, calculus (MATH 200), MATH 151 Precalculus Mathematics is the appropriate prerequisite course. For those preparing for, and not placing into, statistics (STAT 208 or STAT 210), MATH 131 or MATH 141 is recommended as a prerequisite, though any higher-numbered MATH course will serve as well; it is important that you satisfy any of your department's requirements while preparing for your statistics course. The non-credit course MATH 001 Elementary Algebra is offered in lecture (031-034, 936) and self-paced (004-017, 918-922) sections and is charged at the undergraduate three-credit-hour rate. MATH 141 Algebra with Applications is offered in self-paced (004-017, 918-922) sections only.

After the Friday before classes begin, the department checks prerequisites for all lower level classes except MATH 001 and MATH 141. This check is done at the Mathematical Sciences desk at Add/Drop or in the departmental office.

Statistics

Any student requiring a statistics course for their major should check with their department/adviser regarding which course is appropriate. The two courses STAT 208 and STAT 210 replace the STAT 213 course, with some departments requiring STAT 210, some requiring STAT 208, and some recommending one or the other. Note that the prerequisite for either course is a satisfactory score on the Mathematics Placement Test or completion of MATH 131 or higher level math course. Transfer students can demonstrate accepted transfer credit for a college algebra (or higher level) course as a prerequisite.

After the Friday before classes begin, the department checks prerequisites before any student can add the lower level STAT classes. This is done at the Mathematical Sciences desk at Add/Drop or in the departmental office.

Applied Music

Note to students registering for private lessons: private lessons in classical and jazz instruments and voice are available to VCU students for one to three credits each semester. Ability to read music is required. For undergraduate music majors, one-credit lessons have an additional applied music fee of \$130/semester, two- and three-credit lessons have an additional fee of \$260/semester. For undergraduate non-music majors, one-credit lessons have an additional applied music fee of \$225/semester, two-credit lessons have an additional fee of \$450/semester. For graduate music majors, one-credit lessons have an additional applied music fee of \$150/semester, two- and three-credit lessons have an additional fee of \$300/semester. Registration for a one-credit lesson entitles the student to one 30-minute lesson per week for 14 weeks, two- and three-credit students are to receive a one-hour lesson per week for 14 weeks.

Lessons are available in the following areas: bassoon, carillon, cello, clarinet, conducting (graduate, three credits only), composition, double bass, drum set, euphonium, flute, French horn, guitar, harp, harpsichord, oboe, organ, percussion, piano, saxophone, trombone, trumpet, tuba, violin, viola and voice. To register for any private lesson, non-music majors must obtain the correct call number from Room 132, Performing Arts Center, 922 Park Ave., or call the Department of Music office, (804) 828-1166. Music majors need only consult their advisers. At the undergraduate level, one-credit lessons are open to all majors, two-credit lessons are available to non-music majors with permission of instructor, and three-credit lessons are restricted to music majors. Each course is repeatable without limitation. All undergraduate students register on the 300 level, all graduate music majors on the 600 level.

After registering for lessons, it is the responsibility of the student to contact his or her assigned teacher by the conclusion of the add/drop period. Teacher assignments are posted beside Room 132, Performing Arts Center, 922 Park Ave., on the first day of classes each semester. Any student who decides to drop or withdraw from a private lesson has the responsibility to do so prior to the prescribed university deadlines. University policies regarding tuition refunds apply to private lessons. The applied music fee is not refundable after the add/drop period.

Accounting

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may enroll only in the following upper-division accounting (ACCT) course, provided any course prerequisites are met: ACCT 305 Tax Planning for Individuals. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Management

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may enroll only in the following upper-division management (MGMT) courses, provided any course prerequisites are met: MGMT 301-302 Business Statistics, MGMT 331 Human Resource Management, MGMT 421 Small Business Management. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Marketing and Business Law

Eligibility for enrollment in most upper-division School of Business courses (300-400 levels) is restricted to juniors, seniors, graduate students and special students who have completed baccalaureate degrees. Students without these qualifications may not enroll in the upper-division marketing and business law (MRBL) courses. Before registering, please refer to the current university bulletin for course prerequisites or course restrictions.

Academic Affairs

VCU1 101 Introduction to the University. This course is designed to orient new students to the rich traditions and purposes of an education at Virginia Commonwealth University. It is designed to assist students in making the transition to academic life at VCU from high school, community college, other university or work force. Through lectures, class discussions, on-campus projects, readings and the opportunity to work with faculty in a small-group setting, students can discover the resources and services of VCU, assess their academic strengths and limitations, consider academic and career goals, and clarify expectations about being a student at VCU. After this course, students will understand better their "fit" as a new member of the VCU community and the ways to achieve a personally rewarding and successful academic program.

Service Learning Classes

Service-learning courses extend the boundaries of the classroom into the community so that students can get first-hand experience applying the knowledge of the course to real-world challenges. Students participate in community service projects and then reflect on their activities in the classroom so that they can better understand the course material and needs of the community. For more information on service learning contact Dr. Cathy Howard in the Office of Community Programs at (804) 828-1831.

Approved list B – Literature in English or foreign literature in English translation or upper-level 300-400 foreign literature in the original language

(See course descriptions in this bulletin for any prerequisites.)

Please note that this requirement calls for one of the two courses chosen to be in a literature prior to 1900. Such courses will be shown with an asterisk.

Students who have not previously taken a high school or college-level literature survey course may wish to fulfill this requirement with a sophomore-level survey course such as ENGL 201 through 206. These courses will give students an extended survey of a number of works written over a relatively long period of time.

Students who have already taken survey courses may wish to fulfill this requirement with an upper-level course in English or foreign literature in English translation (FLET) or the original language excluding courses numbered 291, 391 or 491 and ENGL 351/TEDU 351. These courses will give students a more intensive experience with the literature of a particular age, genre or writer.

Literature in English (ENGL)

English courses at the 200 level are recommended. However, any upper-level (300-400) literature courses excluding courses numbered 291, 391 or 491 and ENGL 351/TEDU 351 offered by or cross listed with the Department of English (excluding writing and linguistics courses) may be used to fulfill the requirement. English courses covering literature prior to the 19th century are ENGL 201*, 203*, 205*, 241*, 320*, 321*, 322*, 335*, 361*, 371*, 372*, 400*, 401*, 402*, 403*, 407*, 409*, 410*, 411*, 414*, 415*, 416*, 423* and 424*.
