### About the Schedule of Classes

The Schedule of Classes provides information needed to register. It includes information about courses currently offered, including time, days and place of meetings and the instructor's name — as well as valuable general information about Virginia Commonwealth University. **This Schedule of Classes is accurate as of March 7, 2001.** The information is subject to change — please check the Web for updates.

--- [www.vcu.edu/schedule](http://www.vcu.edu/schedule)

The Schedule of Classes does not include all the information you need to access the university. Please be sure that you have a copy of each of the following documents:

- University bulletins — VCU publishes two bulletins. The bulletins include essential information not included in this schedule — academic policies, descriptions of all current VCU courses, prerequisites and information about program and degree requirements. Obtain a copy of the Undergraduate and Professional Programs Bulletin by presenting your VCU Card to one of the student services centers or purchase the bulletins for \$3.50 from one of VCU's bookstores. The bulletins also are available on the Web.  
--- [www.vcu.edu/bulletins](http://www.vcu.edu/bulletins)
- VCU Resource Guide — This directory of services also includes the complete texts of the VCU policies and procedures that directly affect students. The Resource Guide is updated annually. Pick up a copy of this year's edition from the Commons Information Center or the administrative offices of the Division of Student Affairs.

The Resource Guide, including all policies, also is available on the Web.

--- [www.students.vcu.edu/rg](http://www.students.vcu.edu/rg)

Special students and returning adult students are invited to seek the specialized assistance available from academic advisers at (804) 828-8420.

### Registration instructions

1. Pick up your registration materials from your adviser or from the department of your major.
2. Plan your semester with your adviser or your department.
3. Use the Course Request Form to list your courses for the semester, including any Academic Campus courses. Be sure to include variable credit hours where necessary.
4. Turn in your completed materials in accordance with the procedures dictated by your department.

### Student Services Center

1101 E. Marshall St. (Sanger Hall, Room 1-055)

Hours (Subject to change as necessitated by emergencies, unannounced holidays, etc.)

Mon – Fri 8 a.m. to 4:30 p.m.

Sat, Sun, Holidays Closed

### Don't forget ...

#### Your mailing address

Remember, the permanent address is the address to which all of your official VCU mail is sent. The address may be changed at the Student Services Center (Sanger Hall, Room 1-055) throughout the semester. You may request a separate billing address. Please keep your address up to date.

#### Pick up your copy

Students may pick up a copy of their current schedule at the Student Services Center (Sanger Hall, Room 1-055) anytime during the semester (a picture ID is required) or obtain a copy on the Web.

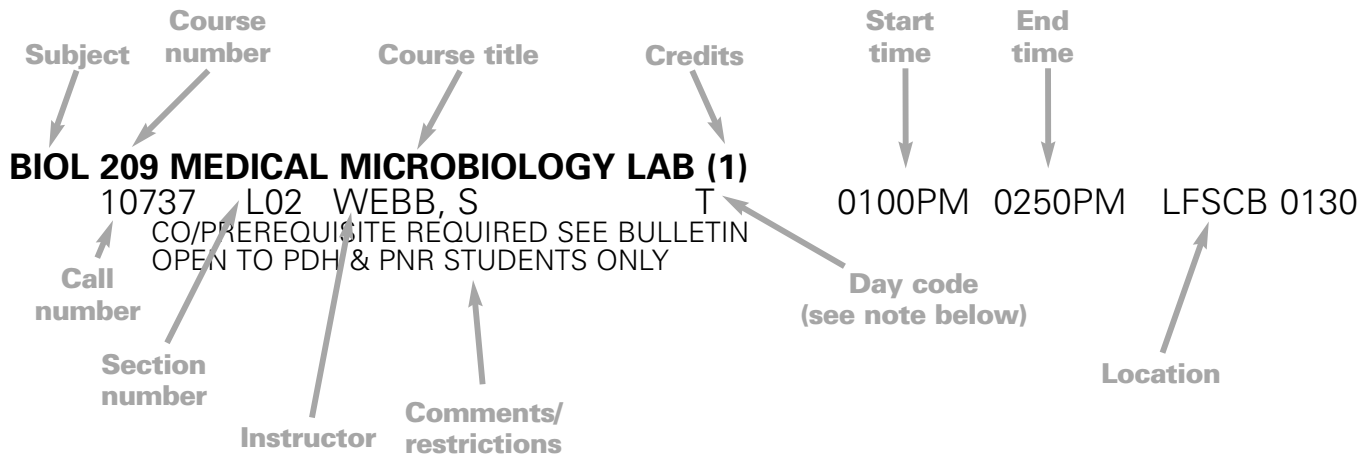

--- [www.vcu.edu](http://www.vcu.edu)

These schedules show any changes in your scheduled classes which may have occurred since the time of registration.

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability.

# Reading the codes

All courses offered on campus for this semester are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700 and 800 series courses are graduate-level courses. Students usually must have a bachelor's degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students' advisers may take some 500-level courses. Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

## Section numbers

The beginning letter or number indicates whether a course is a honors, a variable credit, an evening, laboratory or intersession course.  
 7XX = honors                      8XX = variable credit (MCV Campus only)  
 9XX = evening                      LXX = laboratory  
 CXX = off campus                  VXX = intersession

## Day codes

The following symbols are used for the days of the week:  
 U = Sunday                      W = Wednesday                      S = Saturday  
 M = Monday                      R = Thursday                      TBA = To be announced  
 T = Tuesday                      F = Friday  
 The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.

## Comments/restrictions

Many sections have a comment that refers to the section preceding the comment. Please adhere to these comments. Ignoring the comments and enrolling in the class may result in enrollment in a class that you are not eligible to take. Note the message that a fee is required for a particular course. (The fee table lists the fees for the courses with the fee required message.) For example:

**CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3)**  
 16542 001 STAFF M 0100PM 0545PM PLLAK 0221A  
 FEE REQUIRED - SEE FEE TABLE IN FRONT OF BOOK

Many sections have major, school and classification restrictions placed on them by the department offering the course. Any restriction for a section is listed directly below that section's listing. Enrollment in restricted courses is limited. For example:

**CARD 207 INTRODUCTION COMPUTER TECHNIQUES (3)**  
 16542 001 STAFF M 0100PM 0545PM PLLAK 0221A  
 MAJORS ONLY

This section of CARD 207 is only open to Communication Arts and Design (CDE) majors. If your major is Psychology (PSY) for example, you may not register for this section without an override. For example:

**MRBL 376 DYNAMICS OF RETAIL MANAGEMENT (3)**  
 13080 001 LITTLE, M MW 0330PM 0445PM BUSNS 3103  
 RESTRICTED FROM BFO & SND MAJORS

This section is not open to BFO or SND majors.

# Student Accounting

## Tuition and fees

The Student Accounting Department issues bills to students for tuition and appropriate fees. Preregistered students' tuition and fees, along with charges for room and board where applicable, are due approximately one week before the start of the semester. All other students will be sent a bill at the end of the add/drop period due approximately two weeks later. The university reserves the right to revise or alter all fees, regulations pertaining to student fees and fee collection procedures at any time.

Tuition is determined by both the student's residency classification and classification as a full- or part-time student. Eligibility for in-state tuition benefits is determined by Section 23-7.4 of the Code of Virginia. Students seeking to change their residency status from out-of-state to in-state for tuition charges should go to the Residency Office of VCU Records and Registration and formally apply for a change. The residency application deadline is 30 days prior to the beginning of the semester for which you are applying. For further information on residency determination, call (804) 828-0366.

Students registered for a full-time course load are charged a flat rate for tuition and fees. An undergraduate student enrolled for 12 to 18 credits during any semester is classified as full time. A graduate student enrolled for nine to 15 credits during any semester is classified as full time. Students registered for less than a full-time course load are charged a per-credit-hour rate based on the course level; e.g., undergraduate or graduate.

The rate for "no credit" courses is determined by the number of lecture or laboratory-tutorial hours.

An undergraduate student enrolled for more than 18 credits and a graduate student enrolled for more than 15 credits will be charged a course overload fee on a per-credit-hour basis above the full-time tuition rate. The overload fee will not apply to students in first professional programs or other programs that specifically require the student to enroll in courses that exceed the applicable maximum number of credit hours.

Many students have their tuition and/or fees paid by outside agencies or businesses. The university will accept a letter from the agency/business stating that these charges are unconditionally guaranteed. This letter should be submitted to the Student Accounting Department prior to the start of classes. Students may charge their tuition and fees to Visa, MasterCard or Discover Card.

## Fees

**Student government association (SGA) fee** — is charged to all full-time and part-time Medical College of Virginia Campus students. This fee supports social, cultural and other MCV Campus activities.

**University fee** — is charged to all full-time and part-time students. Full-time students pay a flat rate. Part-time students pay a per-credit-hour rate. This fee is used by the university to support recreational sports facilities, the University Student Commons, campus development, intercollegiate athletics and other programs.

**Technology fee** — is charged to all full-time and part-time undergraduate, graduate and professional students in all programs. This fee is used to support university-wide technology initiatives, including the libraries.

**Student health fee** — is charged to all full-time students on both campuses. Part-time students may participate on an optional basis but must pay the full fee. The health fee covers unlimited visits to University Student Health Services for the diagnosis and treatment of acute and chronic illnesses. The student health fee does not cover accidental injury and hospitalization. Fee revenues are used to cover operating costs for University Student Health Services.

## Drop vs. withdraw

**Drop** — charges are removed to indicate that the student never attended the class. The student is not eligible to receive financial aid, and any financial aid already credited to the student's account based on the original course registration will be removed from the student's account and may create a balance due to the university.

**Withdraw** — results in the academic grade of "W." Charges are assessed and adjusted according to the University Refund Policy. Students may owe a balance to the university.

## Refund policy

The official university tuition and fees refund policy, applicable only for the fall and spring semesters (excluding short courses), is outlined in the table that follows. Refunds are calculated on a course-by-course basis, disregarding the full-time cap amounts. Students who are enrolled in the maximum number of credit hours and withdraw to part-time enrollment and students who are in an overload status and withdraw to the full-time credit hour maximum may not receive a refund.

Withdrawal/ drop period	Student refund	Retained by university
Drop/withdraw prior to and during the first week of classes	100% tuition and fees	0%
Withdraw second week of class	80% tuition and university fee	20% tuition and university fee
Withdraw third week of class	60% tuition and university fee	40% tuition and university fee
Withdraw fourth week of class	40% tuition and university fee	60% tuition and university fee
Withdraw after fourth week of class	0%	100% all fees

This table pertains to both complete withdrawals and reduced course loads for fall and spring semesters only.

Students in off-campus classes are subject to the same refund policy as all other university students if the class is scheduled on the regular semester schedule. If the off-campus class is shorter or longer than the academic semester, the refund dates are adjusted accordingly at the request of Off-campus Programs, Division of University Outreach.

A full refund of tuition and applicable fees for short courses will be granted if the course is dropped no later than the day following the first day of a given class. (This deadline also is applicable if the class does not meet on two consecutive days.) Students reducing their academic course load to fewer than full time (12 credits for undergraduates and nine credits for graduates) before the end of the last day to drop a course will be entitled to a refund of tuition and applicable fees reflecting the reduced course load. Partial refunds are not granted for short courses.

**Refunds will be computed based on the actual withdrawal date certified by the Office of Records**

## and Registration in the Division of University

**Outreach.** Refunds will not be made to students who do not attend classes and have not completed the required withdrawal procedure. Refund processing may take approximately two weeks. Exceptions to this refund policy are made only in rare instances. Written application for an exception must be filed with the Student Accounting Department's Refund Appeals Committee.

Students should refer to the Room and Board Contract Terms and Conditions for additional information concerning refunds of room and board fees.

**Requests for refunds of overpayment** may be made in writing to VCU Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036. Refund request forms are available at the student services centers, 827 W. Franklin St., Room 104 and 1101 E. Marshall St., Room 1-055. In accordance with credit card regulations, the university will refund the credit card account with any credit balance that may result on a student's account as the outcome of a credit card payment. The remaining credit balance, if any, will be refunded to the student.

## Financial aid implications

Students who are financial aid recipients should refer to Page 5 for further information.

## Defense crisis tuition relief, refund and reinstatement guidelines

Please contact the Student Accounting Department at (804) 828-2228 for information concerning defense crisis tuition relief, refund and reinstatement guidelines.

## Statement of student financial responsibility

Every student is responsible for keeping a current mailing address on file with the Office of Records and Registration.

A student who fails to meet payments when due may be assessed a late payment fee and is denied registration for future classes until he or she has paid all amounts owed to the university.

Student accounts with balances owed the university are referred to the Collection Unit. Pursuant to Section 2.1-732 et. seq., of the Code of Virginia, and in accordance with rules and regulations promulgated by the state comptroller and attorney general of the commonwealth of Virginia, VCU will charge interest, costs and fees on all accounts past due. Students with balances owed the university are not issued degrees, transcripts, grades or grade reports, until all charges are paid in full.

Students are reminded that they are ultimately responsible for any unpaid balance on their account as a result of the Financial Aid Office or their sponsor canceling or reducing the award.

Any communication disputing an amount owed, including an instrument tendered as full satisfaction of a debt, must be submitted to the Director of Student Accounting, Student Accounting Department, P.O. Box 843036, Richmond, VA 23284-3036.

VCU participates in the Virginia Set-off Debt Collection Act of 1981. Under the provisions of this act, a Virginia individual income tax refund is subject to the university's claim for unpaid balances of tuition and fees.

## Dishonored checks

A fee of \$20 will be levied for all dishonored checks.

# Financial Aid

## Financial implications if you withdraw from VCU

Students who receive Federal Title IV grant or loan assistance and withdraw from VCU before completing 60 percent of the semester (as measured in calendar days), must have their eligibility recalculated based on the Federal Return of Title IV Funds formula. This federal formula specifies that a student's financial aid eligibility must be recalculated based on the aid the student has "earned" (based on the number of days that the student was enrolled or attending VCU prior to withdrawal). Any unearned aid for the period of enrollment that the student did not complete must be returned to the appropriate Title IV programs from which the student was awarded.

For VCU students who withdraw prior to completing 60 percent of the semester, they will have to pay all or a portion of the financial aid funds that were disbursed to their VCU account, and may be responsible for all or a portion of their tuition/fee charges that were previously paid by financial aid sources.

**Example 1:** Sally Student is a full-time, in-state, College of Humanities and Sciences undergraduate student at VCU. For the program that Sally is enrolled in, VCU's fall 2001 start date (first day of classes) is Aug. 27, 2001, and the fall 2001 end date is Dec. 18, 2001. Sally's tuition/fee charges and financial aid for the fall semester are as follows:

<b>VCU charges</b>	<b>Fall 2001</b>	
Fall tuition/fees	\$1,825	
<b>Financial aid funding</b>		<b>Date disbursed</b>
Federal Pell Grant	\$1,650	Aug 27, 2001
Federal SEOG Grant	\$750	Aug 27, 2001
Federal Perkins Loan	\$1,000	Aug 31, 2001
Federal Work-Study	\$1,500	
Virginia State Grant	\$1,100	Aug 27, 2001
<b>Total financial aid</b>	<b>\$6,000</b>	

Financial aid of \$4,500 was disbursed to her student account paying tuition/fee charges of \$1,825 and resulting in a refund of \$2,675 directly deposited to her bank account on Aug. 31, 2001 to help her pay for rent, food, books and supplies for the fall 2001 semester.

In September, Sally missed two weeks of classes because of an illness. She returned to classes on Sept. 18, but decided after two days that she was too far behind in her course work to catch up with classes. On Sept. 20, she notified the registrar that she was withdrawing and began the official withdrawal process. Since Sally withdrew on Sept. 20, 2001, she only completed 21.9 percent of the semester.

Based on Sally's withdrawal date, VCU must cancel \$1,000 Perkins loan, \$1,038 in Pell Grant, and \$3 of Federal SEOG grant funds. These funds will be returned to the federal government on Sally's behalf. This action will create charges of \$2,041 on Sally's account; however, because she withdrew from all classes during the fourth week, the tuition/fees of \$1,825 would be reduced to \$1,146.60 (a savings of \$678.40). The result is that Sally must pay \$1,362.60 that was previously paid by financial aid funds.

Sally will have to repay VCU \$1,362.60.

**Example 2:** Steve Student is a full-time, in-state freshman. For the program that Steve is enrolled in, VCU's fall 2001 start date (first day of classes) is Aug. 27, 2001, and the fall 2001 end date is Dec. 18, 2001. Steve's tuition/fee charges and financial aid for the fall semester are as follows:

<b>VCU charges</b>	<b>Fall 2001</b>	
Fall tuition/fees	\$1,825	
Fall room/board	\$2,397	
<b>Total VCU charges</b>	<b>\$4,222</b>	
<b>Financial aid funding</b>		<b>Date disbursed</b>
Federal Direct Stafford Loan	\$1,265	Aug 24, 2001
Federal PLUS Parent Loan	\$2,800	Aug 27, 2001
<b>Total financial aid</b>	<b>\$4,065</b>	

Financial aid funds of \$4,065 were disbursed toward his student account charges of \$4,222, and Steve paid the remaining balance of \$157 using his credit card.

Sometime during the semester Steve stopped attending classes, but he did not notify anyone that he was withdrawing from school. He simply left the university. At the end of the semester his instructors reported grades of all "F"s since he had not completed his course work. Steve's last day of attendance is not known to VCU since he did not officially withdraw; therefore, the midpoint of the semester is used as the last date of attendance for Title IV funding purposes. Therefore, Steve only earned 50 percent of the financial aid that he had originally received for the fall semester.

Based on 50 percent completion, VCU must cancel the entire Federal Student Stafford Loan of \$1,265 and must cancel \$846 of the Parent's PLUS Loan. These

funds will be returned to the federal government on the borrower's behalf. This action will create charges of \$2,111 on Steve's account.

Since Steve did not officially withdraw from VCU there is no tuition/fee adjustment. Because of the reduction of financial aid required by the federal Return of Title IV Funds formula, Steve must pay \$2,111 that was previously paid by financial aid funds. Steve will have to pay VCU \$2,111.

## Financial aid update

**If you anticipate enrolling for summer 2002 and are receiving financial aid during the regular school year, please think about your budget now.**

Federal Direct Student Stafford loans are limited by your grade level and dependency status to the following annual and lifetime loan limits:

	<b>Dependent</b> (as defined by the FAFSA)		<b>Independent</b> (as defined by the FAFSA)	
	Annual Maximum Loan Amount	Total Lifetime Loan Limit	Annual Maximum Loan Amount	Total Lifetime Loan Limit
<b>Freshmen</b> (less than 24 earned hours)	\$2,625	\$23,000	\$6,625	\$46,000
<b>Sophomore</b> (24 to 53.9 earned hours)	3,500	23,000	7,500	46,000
<b>Junior/Senior</b> (54 or more earned hours)	5,500	23,000	10,500	46,000
<b>Graduate</b>			18,500	138,500
<b>Professional – Medical/Dental</b>			38,500	189,125
<b>Professional – Pharmacy</b>			31,000	189,125
<b>Professional – Health Administration</b>			31,000	189,125
<b>Professional – all other</b>			18,500	138,500

**The more Federal Direct Student Loan funds you borrow during fall 2001 – spring 2002, the fewer loan funds you will have available for summer 2002.**

**Example 1:** If a dependent junior/senior student plans to study and/or travel via Study Abroad for summer 2002 here are two possible budgeting alternatives for covering the summer 2002 expenses:

	Federal Direct Loan	Federal Direct Loan	Federal Direct Loan	Private Alternative Loan
	Fall 2001	Spring 2002	Summer 2002	Summer 2002
Alternative 1 — Junior/Senior	\$2,750	\$2,750	\$0	\$4,000
Alternative 2 — Junior/Senior	\$2,000	\$2,000	\$1,500	\$2,500

If you budget your loan funds and set aside \$1,500 (as done in the Alternative 2 above), you may still need to borrow additional private alternative loans during the summer 2002 semester, but the amount of your private alternative loan would be less than you would otherwise need to borrow. Private alternative loans generally require a clean credit history and/or a credit-worthy co-signer. Private alternative loans will accrue interest while you are in school, but many times, payments can be deferred until after you have completed your educational program at VCU — please contact the private alternative lenders for further details.

**Example 2:** If a dependent freshman student borrows the maximum loan amount of \$2,625 during fall/spring 2001-02, and completes/earns at least 24 credit hours by the end of the spring 2002 semester, the student will be a sophomore for summer 2002. As a sophomore, the student may borrow up to \$3,500 annually, so the student could borrow the remaining \$875 Federal Direct Loan eligibility for summer 2002 (\$3,500 – \$2,625 = \$875).

Federal Direct Loan Fall 2001 (freshman status)	Federal Direct Loan Spring 2002 (freshman status)	Federal Direct Loan Summer 2002 (sophomore status)	Total Annual Loan Amount
\$1,313	\$1,312	\$875	\$3,500
