Chemistry

All chemistry classes, including laboratories and recitation sections, meet from the first day of classes. Students enrolled in chemistry classes must attend the first scheduled class. Students on the class roll who do not attend the first scheduled class may be dropped and replaced with students waiting to add the class.

Latin

Students with at least three units of Latin and who wish to continue study of that language at VCU, MUST take the Language Placement Test before registering. The test will be given Monday, Aug. 20, 2001 between 1 and 2:30 p.m. and Wednesday, Aug. 22 between 12 and 2 p.m. All tests will be given in the Department of Foreign Languages, Bird House, Room 201, 820 W. Franklin St.

Mathematics

Any student requiring a mathematics course before enrolling in a calculus, statistics or computer science course should note the following: if you have not taken the mathematics placement test and have not taken the prerequisite course for the course you need, take the mathematics placement test before enrolling in mathematical sciences courses. With the advent of new general education requirements in all schools within the university, the 100- and 200-level mathematical sciences courses have been revised. Make sure you know which of these courses are recommended for your major. Both the Department of Mathematical Sciences and your adviser can help you with the possible choices. For those preparing for, and not placing into, calculus (MATH 200), MATH 151 Precalculus Mathematics is the appropriate prerequisite course. For those preparing for, and not placing into, statistics (STAT 208 or STAT 210), MATH 131 or MATH 141 is recommended as a prerequisite, though any higher-numbered MATH course will serve as well; it is important that you satisfy any of your department's requirements while preparing for your statistics course. The non-credit course MATH 001 Elementary Algebra is offered in lecture (031-034, 936) and self-paced (004-017, 918-922) sections and is charged at the undergraduate three-credit-hour rate. MATH 141 Algebra with Applications is offered in lecture (031-032) and self-paced (004-017, 918-922) sections only.

After the Friday before classes begin, the department checks prerequisites for all lower level classes except MATH 001 and MATH 141. This check is done at the Mathematical Sciences desk at Add/Drop or in the departmental office.

Spanish

Students with at least three units of Spanish and who wish to continue study of that language at VCU, MUST take the Language Placement Test before registering. The test will be given Monday, Aug. 20, 2001 between 1 and 2:30 p.m. and Wednesday, Aug. 22 between 12 and 2 p.m. All tests will be given in the Department of Foreign Languages, Bird House, Room 201, 820 W. Franklin St.

the other. Note that the prerequisite for either course is a satisfactory score on the Mathematics Placement Test or completion of MATH 131 or higher level math course. Transfer students can demonstrate accepted transfer credit for a college algebra (or higher level) course as a prerequisite.

After the Friday before classes begin, the department checks prerequisites before any student can add the lower level STAT classes. This is done at the Mathematical Sciences desk at Add/Drop or in the departmental office.

Statistics

Any student requiring a statistics course for their major should check with their department/adviser regarding which course is appropriate. The two courses STAT 208 and STAT 210 replace the STAT 213 course, with some departments requiring STAT 210, some requiring STAT 208, and some recommending one or
