

# Reading the codes

All courses offered on campus for this semester are listed in the following pages. Courses in the 100 and 200 series are lower-level courses usually for freshmen and sophomores; 300 and 400 series are upper-level courses for juniors and seniors; 500, 600, 700 and 800 series courses are graduate-level courses.

Students usually must have a bachelor's degree to enroll in graduate-level courses; however, certain undergraduate students with the permission of the departments and the students' advisers may take some 500-level courses.

Please note: The university reserves the right to discontinue any course announced in this schedule because of low enrollment or other reasons deemed sufficient by the university. To ensure high academic standards, the university reserves the right to close registration in a course after the maximum enrollment has been reached. In addition, the university reserves the right to make changes in faculty, fees or schedules as necessary.

## Section numbers

The beginning letter or number indicates whether a course is a honors, a variable credit, an evening, laboratory or intersession course.

7XX = honors                      8XX = variable credit (MCV Campus only)  
 9XX = evening                      LXX = laboratory  
 CXX = off campus                  VXX = intersession

## Day codes

The following symbols are used for the days of the week:

U = Sunday                      W = Wednesday                      S = Saturday  
 M = Monday                      R = Thursday                      TBA = To be announced  
 T = Tuesday                      F = Friday

The use of multiple symbols means that the class meets on each day indicated. MWF indicates Monday, Wednesday and Friday and TR indicates Tuesday and Thursday.
