## Applied Music

Note to students registering for private lessons: private lessons in classical and jazz instruments and voice are available to VCU students for one credit. Ability to read music is required. For undergraduate music majors, one-credit lessons have an additional applied music fee of \$142/semester, two- and three-credit lessons have an additional fee of \$283/semester. For undergraduate non-music majors, one-credit lessons have an additional applied music fee of \$225/semester. For graduate music majors, one-credit lessons have an additional applied music fee of \$150/semester, two- and three-credit lessons have an additional fee of \$300/semester. One-credit lesson registration entitles the student to 7.5 hours of private instruction during the summer session. Lessons are available on most classical and jazz instruments, depending on the availability of the instructors. Lessons in voice are available, but an audition is required. To register for any private lesson, non-music majors must obtain the correct call number from Room 132, Performing Arts Center, 922 Park Ave., or call the Department of Music office, (804) 828-1166. Music majors need to consult their advisers. All undergraduate students register on the 300 level, all graduate students register on the 600 level. After registering for lessons, it is the responsibility of the student to contact his or her assigned teacher by the conclusion of the add/drop period. Teacher assignments are posted beside Room 132, Performing Arts Center, 922 Park Ave., on the first day of classes each semester. Any student who decides to drop or withdraw from a private lesson has the responsibility to do so prior to the prescribed university deadlines. University policies regarding tuition refunds apply to private lessons. The applied music fee is not refundable after the add/drop period.
